

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Diane Pickard-Richardson
DOCKET NO.: 23-20909.001-R-1
PARCEL NO.: 16-06-407-024-0000

The parties of record before the Property Tax Appeal Board are Diane Pickard-Richardson, the appellant, by Amy C. Floyd, Attorney at Law in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$14,700
IMPR.: \$72,300
TOTAL: \$87,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of masonry exterior construction with 2,888 square feet of living area. The dwelling is approximately 107 years old. Features of the home include a basement, a fireplace and a two-car garage. The property has a 10,500 square foot site and is located in Oak Park, Oak Park Township, Cook County. The subject is classified as a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables that have the same assessment neighborhood code as the subject. The comparables are class 2-06 properties that are improved with two-story dwellings of stucco or frame and masonry exterior construction ranging in size from 2,405 to 3,177 square feet of living area. The dwellings are from 109 to 113 years

old. Each comparable has a basement, a fireplace and a two-car garage. Two comparables have central air conditioning. The comparables have improvement assessments that range from \$40,113 to \$68,728 or from \$16.68 to \$22.47 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$60,532 or \$20.96 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$87,000. The subject property has an improvement assessment of \$72,300 or \$25.03 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on four equity comparables that have the same assessment neighborhood code as the subject and are located within the same block, same subarea or approximately ¼ of a mile from the subject property. The comparables are class 2-06 properties that are improved with two-story dwellings of frame or frame and masonry exterior construction ranging in size from 2,430 to 3,070 square feet of living area. The dwellings are from 102 to 110 years old. Each comparable has a basement and a one-car or a two-car garage. Two comparables have central air conditioning and three comparables each have one or two fireplaces. The comparables have improvement assessments of \$62,208 and \$79,881 or \$25.58 and \$27.22 per square foot of living area, respectively. The board of review contended that the building assessed values of the comparables are the same or higher than the subject, which supports the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains eight equity comparables submitted by the parties for the Board's consideration. The Board has given less weight to the appellant's comparables #1 and #2, as well as with board of review comparables #2 and #3, which differ from the subject in that they have central air conditioning and/or a substantially smaller dwelling size.

The Board finds the best evidence of assessment equity to be appellant's comparables #3 and #4, along with board of review comparables #1 and #4, which have the same property classification as the subject and are overall more similar to the subject in dwelling size, age and some features. These four comparables have improvement assessments that range from \$67,864 to \$76,099 or from \$21.63 to \$27.22 per square foot of living area. The subject's improvement assessment of \$72,300 or \$25.03 per square foot of living area falls within the range established by the best comparables in this record. Based on this record and after considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate

with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
