

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mohammad Asif  
DOCKET NO.: 23-21617.001-R-1  
PARCEL NO.: 27-02-322-014-0000

The parties of record before the Property Tax Appeal Board are Mohammad Asif, the appellant(s), by attorney Dora Cornelio, of Schmidt Salzman & Moran, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$8,610  
**IMPR.:** \$48,139  
**TOTAL:** \$56,749

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of frame and masonry construction with 2,773 square feet of living area. The dwelling is approximately eighteen-years old. Features of the home include a full basement, central air conditioning, a fireplace and a three-car garage. The property is in Orland Park, Orland Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on five equity comparables. Each of the appellants comparables has a fireplace, full basement and have two or three car garages. They range in size from 2,791 to 3,259 square feet of living area; and in improved assessment from \$8.22 to \$9.39 in assessed square footage of living area. The record is silent as to the proximity of the appellants

comparables to the subject property. The appellant has requested a reduction in total assessment to \$33,456.

The board of review submitted its "Board of Review Notes on Appeal" declaring the subject properties total assessment of \$56,749; and in improved assessment of \$48,139 or \$17.36 per square foot. The board response included three comparable properties in support of its contention of the correct assessment. The Board comparables are all two story of frame or frame and masonry material. Each has three bathrooms, air conditioning and three car garages. Two board comparables have full basements, the other has a partial. Comparable one is on the same block as the subject property, two and three are within a quarter mile. The Board of review is requesting that the assessment be confirmed.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant *did not meet* this burden of proof and a reduction in the subject's assessment *is not* warranted.

The Board finds the best evidence of assessment equity to be *board of review comparables one through three*. These comparables had improvement assessments that ranged from \$16.84 to \$19.37 per square foot of living area. The subject improvement assessment of \$17.36 per square foot of living area falls within the range established by the best comparables in this record. Based on this record the Board finds the appellant *did not* demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment *is not* justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
