

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ryan Flattery
DOCKET NO.: 23-21829.001-R-1
PARCEL NO.: 14-29-416-090-1003

The parties of record before the Property Tax Appeal Board are Ryan Flattery, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$17,268
IMPR.: \$37,732
TOTAL: \$55,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of one unit of an approximately 25-year-old three-story condominium dwelling of masonry construction with 1,600 square feet of living area. Features of the home include central air conditioning, and a roof deck. The property is located in Chicago, Lake View Township, Cook County. The subject is classified as a Class 2-99 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted evidence disclosing the subject property was sold on June 12, 2023 for a price of \$550,000. The appellant submitted into evidence copies of a warranty deed and a settlement statement. Section IV Recent Sale Data of the appeal form confirmed: the sale date and price; the transfer was not between family or related corporations and was sold by owner; the subject was advertised on the Multiple Listing Service for one year before the sale; and the subject was not

sold due to a foreclosure action. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect 10% of the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$73,227. The subject's assessment reflects a market value of \$732,270, land included, when using the Cook County Real Estate Classification Ordinance level of assessment for class 2 property of 10%. In support of its contention of the correct assessment, the board of review submitted a Multiple Listing Service closing data sheet which included the subject property and the sales information for a second comparable in the same building.

Conclusion of Law

When market value is a basis of the appeal, the taxpayer must prove the value of the property by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e); Winnebago County Bd. of Review v. Property Tax Appeal Bd., 313 Ill. App. 3d 1038, 1043 (2d Dist. 2000). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill. Admin. Code §1910.65(c).

The Board's task in this case is to determine the correct assessment of the subject property. See 35 ILCS 200/16-180. Under Illinois law, real property must be valued at its fair cash value, meaning the price that would be paid for it at a fair, voluntary sale where the buyer and seller are both ready, willing, and able to buy and sell, but neither is compelled to do so. Bd of Educ of Meridian Community School Dist. No. 223 v. Ill. Property Tax Appeal Bd., 2011 IL App (2d) 100068, ¶ 36. A contemporaneous sale of the subject property between parties dealing at arms-length is practically conclusive on the issue of whether an assessment reflected the fair cash market value of the property. Gateway-Walden LLC v. Pappas, 2018 IL App (1st) 162714, ¶ 33. The Board finds the appellant met this burden of proof and a reduction in the subject's assessment on this basis is warranted.

The appellant presented evidence that the subject property was sold on June 12, 2023, for a price of \$550,000. The appellant filled out Section IV - Recent Sale Data of the PTAB residential appeal form and disclosed that the parties to the transaction were not related, the property was sold by a realtor, and the property had been advertised through Multiple Listing Service (MLS) for one year. The appellant also disclosed that the sale was not due to a foreclosure action. The appellant submitted a copy of the settlement statement and warranty deed from the transaction. The board of review submitted a copy of the MLS listing for the subject property. This evidence indicates that this sale was an arm's-length transaction and confirmed the sale price of the subject property in June of 2023.

The Board finds that the best evidence of the subject's market value is the June 12, 2023 sale of the subject for \$550,000. Because the subject's assessment reflects a fair market value of \$732,270, which is greater than the \$550,000 sale price, a reduction in the subject's assessment commensurate with that sale price is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
