

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Sharon Zeddies
DOCKET NO.: 23-21886.001-R-1
PARCEL NO.: 05-18-309-002-0000

The parties of record before the Property Tax Appeal Board are Sharon Zeddies, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$38,022
IMPR.: \$47,977
TOTAL: \$85,999

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of frame and masonry exterior construction with 2,287 square feet of living area. The home was built in 1956 and is approximately 67 years old. Features include a partial basement, two fireplaces, and a 2-car garage. The property has a 21,727 square foot site and is located in Winnetka, New Trier Township, Cook County. The subject is classified as a class 2-04 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables located within the subject's assessment neighborhood and from 0.5 of a mile to 1.4 miles from the subject property. The comparables are improved with one or more story, class 2-04 dwellings of frame or masonry exterior construction ranging in size from 2,304 to 3,076 square feet of living area. The homes range in age from 50 to 101 years old. Three comparables

each have a full or partial basement and one comparable has a crawl space foundation. Three comparables each have one or two fireplaces. Each comparable has a 1-car or a 2-car garage. The comparables have improvement assessments ranging from \$37,368 to \$52,516 or from \$14.47 to \$19.00 per square foot of living area. Based on this evidence, the appellant requested that the improvement assessment be reduced.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$85,999. The subject property has an improvement assessment of \$47,977 or \$20.98 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located within the subject's assessment neighborhood and on the same block or ¼ of a mile from the subject property. The comparables are improved with 1-story, class 2-04 dwellings of frame and masonry exterior construction ranging in size from 1,948 to 2,508 square feet of living area. The homes range in age from 62 to 66 years old. Each comparable has a partial basement, one of which has finished area, from one to three fireplaces, and a 2-car garage. Two comparables each have central air conditioning. The comparables have improvement assessments ranging from \$43,063 to \$101,150 or from \$22.02 to \$41.13 per square foot of living area. Based on this evidence, the board of review requested the assessment be confirmed.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight suggested equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables and board of view comparable #3 due to differences relative to the subject in location, age, dwelling size, and/or foundation type. The Board also give less weight to board of review comparable #4 which appears to be an outlier with an improvement assessment that is substantially higher than the subject and other comparables in this record.

The Board finds the best evidence of assessment equity to be board of review comparables #1 and #2 which are overall more similar to the subject in location, design/class, age, dwelling size, foundation type, and other features. The two best comparables have improvement assessments of \$47,601 and \$55,226 or \$22.02 and \$22.33 per square foot of living area. The subject's improvement assessment of \$47,977 or \$20.98 per square foot of living area is bracketed by the two best comparables in this record on an overall improvement assessment basis and falls below them on a per square foot basis. After considering adjustments to the two best comparables for differences from the subject, the Board finds the appellant did not demonstrate that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
