

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Sohail Asmal
DOCKET NO.: 23-21944.001-R-1
PARCEL NO.: 05-35-101-007-0000

The parties of record before the Property Tax Appeal Board are Sohail Asmal, the appellant(s), by attorney Michael R. O'Malley, of Schmidt Salzman & Moran, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$22,000
IMPR.: \$60,500
TOTAL: \$82,500

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of an 8,000 square foot parcel of land improved with a 101-year-old, two-story, masonry, single-family dwelling containing 2,688 square feet of building area. The property is located in Wilmette, New Trier Township, Cook County and is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation and inequity. In support of the market value argument, the appellant submitted the sales contract which listed a purchase date of October 26, 2023 for a price of \$825,000. The petition disclosed that the subject was not transferred between related parties, was sold with the assistance of a realtor, was advertised for sale on the multiple listing for an unknown amount of time, and was not sold due to a foreclosure or for a contract for deed. The sales contract discloses that no broker was involved in the transaction. The petition

also disclosed that the subject was not an owner-occupied residence. However, the sales contract shows the purchaser to be a corporation with the appellant signing on behalf of this corporation.

In support of the equity argument, the appellant submitted five equity comparables.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's total assessment of \$103,000 which reflects a market value of \$1,030,000 using the Cook County Real Estate Classification Ordinance level of assessment for class 2 property of 10%.

In support of the current assessment, the board of review submitted four equity comparables.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. *86 Ill.Admin.Code §1910.63(e)*. Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. *86 Ill.Admin.Code §1910.65(c)*. The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in October 2023 for \$825,000. The appellant provided evidence of the sale of the subject and the board of review did not refute this sale or that it was not at arm's length. Based on this record, the Board finds the subject property had a market value of \$825,000 as of January 1, 2023, and that a reduction in the subject's assessment is justified. Since market value has been determined, the level of assessment of 10% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance shall apply. After this reduction, the Board finds the subject is equitably assessed.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
