

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kirk Zehme
DOCKET NO.: 23-22043.001-R-1
PARCEL NO.: 27-20-307-061-0000

The parties of record before the Property Tax Appeal Board are Kirk Zehme, the appellant(s), by attorney Dora Cornelio, of Schmidt Salzman & Moran, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$9,507
IMPR.: \$49,492
TOTAL: \$58,999

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The subject property consists of a thirty-two year-old two-story dwelling of frame and masonry construction with 3,566 square feet of living area. The property has a 13,582 square foot site in Orland Park, Orland Township, Cook County. The subject is classified as 2-78 under the Cook County Real Property Assessment Classification Ordinance. Features of the home include a full basement, two full bathrooms, one half bathroom, air conditioning, a fireplace and a three-car garage.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on five equity comparables with varying degrees of similarity to the subject property. The five properties offered by the appellant as comparables are each two-story class 2-78 homes of frame and masonry, frame or masonry construction. They range in size from 2,356 to 3,388 square feet of living area and range in age from twenty-nine to fifty years- old. Four of the comparables have two full bathrooms and one has one full bathroom. Two of the comparables have two-car garages, one has a two and a half car garage, one has a three-car garage and one has a three and a half car garage. Four of the comparables have full basements and one has a slab foundation. All have air conditioning. The record is silent on the proximity of the appellant's five comparables to the subject property. Based on this evidence the appellant is requesting an assessment amount of \$36,751.

The board of review submitted its “Board of Review Notes on Appeal” stating the total assessment for the subject property as \$58,999 including an improvement assessment of \$49,492 or \$13.88 per square foot. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables. The suggested comparable properties range in age from seventeen to thirty-five years-old and range in size from 3,139 to 3,651 square feet of living area. They are all two-story houses of frame and masonry or masonry construction with air conditioning and three-car garages. Two have full basements and two have partial basements. The board of appeals reports that two of the comparables are located within one-quarter mile of the subject property.

Conclusion of Law

The taxpayer asserts assessment inequity as the basis of the appeal. The Illinois Constitution requires that real estate taxes, “be levied uniformly by valuation ascertained as the General Assembly shall provide by law.” Ill. Const. art. IX, §4 (1970); Walsh v. Property Tax Appeal Board, 181 Ill. 2d 228, 234 (1998). This uniformity provision of the Illinois Constitution does not require absolute equality in taxation, however, and it is sufficient if the taxing authority achieves a reasonable degree of uniformity. Peacock v. Property Tax Appeal Board, 339 Ill. App. 3d 1060, 1070 (4th Dist. 2003).

When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by the appellant by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e); Walsh, 181 Ill. 2d at 234 (1998). Clear and convincing evidence means more than a preponderance of the evidence, but it does not need to approach the degree of proof needed for a conviction of a crime. Bazyldo v. Volant, 164 Ill. 2d 207, 213 (1995). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity, and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant **did not** meet this burden of proof and a reduction in the subject's assessment **is not** warranted.

The Board finds the best evidence of assessment equity to be appellant's comparables #1 and #4 and the board of review's comparables #1, #2 and #3. These comparable properties are similar to the subject in terms of living area, age, construction and – in the case of the board of review's comparables #1 and #2 – proximity to the subject property. In contrast, appellant's comparables #3 and #5 and the board of review's comparable #4 are all at least 427 square feet smaller in living area than the subject property. Appellant's comparable #2 is lacking a basement. The board of review's comparable #4 has two more full bathrooms than the subject property. The Board finds that these comparables are afforded less weight based on these distinguishing characteristics. The best evidence comparables ranged in improvement assessment from \$7.28 to \$15.17 per square foot. The subject property's improvement assessment of \$13.88 per square foot falls within the range established by the best comparables in the record. Based on this record the Board finds the appellant **did not** demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
