

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Christine Lazar
DOCKET NO.: 23-22145.001-R-1
PARCEL NO.: 27-18-428-002-0000

The parties of record before the Property Tax Appeal Board are Christine Lazar, the appellant(s), by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$5,240
IMPR.: \$47,759
TOTAL: \$52,999

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2023-story dwelling of frame and masonry construction with 3,340 square feet of living area. The dwelling is approximately twenty-five years old. Features of the home include a full basement, central air conditioning, a fireplace, two and a half bathrooms and a two-car garage. The property is in Orland Park, Orland Township, Cook County. The subject is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables. The appellant comparables are all two-story constructed of frame and masonry material. Each of the dwellings have full or partial basements, central air conditioning and at least one fireplace. Two comparables have two and a half bathrooms, one has three full and one has three and a half bathrooms. Three of the appellant comparables have two car garages, one has two and a half.

They range in size from 2,865 to 3,227 square feet of living area; and in improvement assessment from \$38,760 to 45,039 or \$12.79 to \$13.96 per square foot of living area. The appellant comparables range from .4 to .6 miles distance to the subject property. The appellant is asking for a reduction in total assessment to \$49,896.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$52,999. The subject property has an improvement assessment of \$47,759 or \$14.30 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables. Each of the appellant comparables is two-story constructed of frame and masonry material. They each have full basements, central air conditioning, one fireplace and a three-car garage. Two of the appellant comparables have two and a half bathrooms, one has three full bathrooms, and one has four and a half. They range in size from 3,292 to 3,666 square feet of living area; and in improvement assessment from \$51,673 to \$54,759 or \$14.83 to \$16.63 per square foot of living area. Two of the board comparables are one quarter mile from the subject area, the other two are in the same subarea. The board of review is seeking no change in assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant *did not meet* this burden of proof and a reduction in the subject's assessment *is not* warranted.

The Board finds the best evidence of assessment equity to be *appellant's comparable four and board of review comparables one and three*. These comparables had improvement assessments that ranged from \$13.96 to \$16.63 per square foot of living area. The subject's improvement assessment of \$14.30 per square foot of living area falls within the range established by the best comparables in this record. Based on this record the Board finds the appellant *did not* demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment *is not* justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
