

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Joseph Paral
DOCKET NO.: 23-22366.001-R-1
PARCEL NO.: 05-17-407-018-0000

The parties of record before the Property Tax Appeal Board are Joseph Paral, the appellant, by attorney Robert Rosenfeld of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$56,925
IMPR.: \$228,197
TOTAL: \$285,122

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of masonry exterior construction with 5,157 square feet of living area. The dwelling is approximately 4 years old. Features of the property include a full basement with finished area,¹ central air conditioning, five fireplaces and a three-car garage. The property has a 17,250 square foot site and is located in Winnetka, New Trier Township, Cook County. The subject is classified as a class 2-09 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on three equity comparables that have the same assessment neighborhood code as the subject and are located .7

¹ The board of review disclosed the subject's basement is finished with a formal recreation room, which was not reported by nor was it refuted by the appellant.

of a mile or 1 mile from the subject property. The comparables are class 2-09 properties improved with two-story dwellings of frame, masonry or stucco exterior construction ranging in size from 5,102 to 5,885 square feet of living area. The dwellings are 8 or 12 years old. Each comparable has a full basement, central air conditioning, three or four fireplaces and either a two-car or a three-car garage. The comparables have improvement assessments that range from \$213,979 to \$254,982 or from \$40.41 to \$43.33 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$216,027 or \$41.89 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$285,122. The subject property has an improvement assessment of \$228,197 or \$44.25 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on three equity comparables that have the same assessment neighborhood code as the subject and are located approximately $\frac{1}{4}$ of a mile from the subject property. The comparables are class 2-09 properties improved with two-story dwellings of masonry exterior construction ranging in size from 5,692 to 6,219 square feet of living area. The dwellings range in age from 7 to 114 years old. The comparables each have a full basement with finished area, central air conditioning, from two to four fireplaces and either a two-car or a three-car garage. The comparables have improvement assessments that range from \$269,316 to \$376,417 or from \$47.31 to \$60.53 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted six comparable properties for the Board's consideration. The Board has given less weight to the appellant's comparable #2 which is located approximately 1 mile from the subject property. The Board has given reduced weight to board of review comparable #3 due to its significantly larger dwelling size and older dwelling age.

The Board finds the best evidence of assessment equity to be the appellant's comparables #1 and #3, along with board of review comparables #1 and #2, which are overall more similar to the subject in location, dwelling size, age and some features. The comparables have improvement assessments ranging from \$236,451 to \$283,154 or from \$40.41 to \$49.22 per square foot of living area. The subject's improvement assessment of \$228,197 or \$44.25 per square foot of living area falls below the range established by the best comparables in the record in terms of overall improvement assessment but within the range on a per square foot of living area basis.

After considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
