

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: AGNES MYRDA
DOCKET NO.: 23-22447.001-R-1
PARCEL NO.: 22-28-309-023-0000

The parties of record before the Property Tax Appeal Board are AGNES MYRDA, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$7,097
IMPR.: \$45,903
TOTAL: \$53,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of an 8,871 square foot parcel of land improved with a 17-year-old, two-story, frame and masonry, single-family dwelling containing 2,534 square feet of building area. The property is located in Lemont, Lemont Township, Cook County and is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted data on three sales comparables. These comparables are described as two-story, masonry or frame and masonry, single-family dwellings. They range in age from 26 to 28 years and contain from 2,281 to 2,660 square feet of building area. They sold from September 1994 to March 1999 for prices ranging from \$55.26 to \$113.99 per square foot of building area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's assessment for one parcel. The subject's assessment is \$49,971 which reflects a market value of

\$499,710 or \$197.20 per square foot of building area using the Cook County Real Estate Classification Ordinance level of assessment for class 2 property of 10%.

In support of the current assessment, the board of review submitted data on four sales comparables. These comparables are described as two-story, masonry or frame and masonry, single-family dwellings. They range in age from 31 to 34 years and contain from 2,114 to 2,669 square feet of building area. They sold from October 2022 to December 2023 for prices ranging from \$177.97 to \$238.88 per square foot of building area.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of market value to be the board of review's comparables. The Board finds the appellant's comparables sold over 20 years prior to the lien date in question and are not reflective of the market. These board of review's comparables sold from October 2022 to December 2023 for prices ranging from \$177.97 to \$238.88 per square foot of building area. In comparison, the subject's assessment reflects a market value of \$197.20 per square foot of building area which is within the range of these comparables. Therefore, the Board finds the appellant has not proven by a preponderance of the evidence that the subject was overvalued, and a reduction is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
