

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Robbins & Associates, LLC
DOCKET NO.: 23-22742.001-R-1
PARCEL NO.: 05-17-414-017-0000

The parties of record before the Property Tax Appeal Board are Robbins & Associates, LLC, the appellant, by attorney Robert Rosenfeld of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$30,937
IMPR.: \$71,533
TOTAL: \$102,470

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of masonry exterior construction with 3,082 square feet of living area. The dwelling was constructed in 1939 and is approximately 84 years old. Features of the property include a full basement with finished area, central air conditioning, a fireplace and a 2.5-car garage. The property has a 9,375 square foot site and is located in Winnetka, New Trier Township, Cook County. The subject is classified as a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables that have the same assessment neighborhood code as the subject and are located from .2 of a mile to 1 mile from the subject property. The comparables are class 2-06 properties improved with two-story dwellings of masonry or frame and masonry exterior construction

ranging in size from 2,916 to 3,114 square feet of living area. The dwellings range in age from 76 to 119 years old. Each comparable has a full or partial basement, central air conditioning and either a 1-car, a 2-car or a 3-car garage. Three comparables each have one or three fireplaces. The comparables have improvement assessments that range from \$59,807 to \$71,310 or from \$19.51 to \$22.98 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$68,081 or \$22.09 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$102,470. The subject property has an improvement assessment of \$71,533 or \$23.21 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on three equity comparables that have the same assessment neighborhood code as the subject and are located approximately $\frac{1}{4}$ of a mile from the subject, two of which are also along the same street as the subject property. The comparables are class 2-06 properties improved with two-story dwellings of masonry exterior construction ranging in size from 3,043 to 3,687 square feet of living area. The dwellings are 92 or 97 years old. The comparables each have a full or partial basement with finished area, central air conditioning, one or two fireplaces and either a 2-car or a 2.5-car garage. The comparables have improvement assessments ranging from \$70,689 to \$87,750 or \$23.23 and \$23.80 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted seven comparable properties for the Board's consideration. The Board has given less weight to the appellant's comparables #2, #3 and #4 which are less similar to the subject in location and/or age than other comparables in the record. The Board has given reduced weight to board of review comparable #2 due to its substantially larger dwelling size, when compared to the subject.

The Board finds the best evidence of assessment equity to be the appellant's comparable #1, along with board of review comparables #1 and #3, which are located more proximate to the subject and are overall more similar to the subject in dwelling size, design, age and some features. These three comparables have improvement assessments ranging from \$59,807 to \$80,515 or from \$19.51 to \$23.80 per square foot of living area. The subject's improvement assessment of \$71,533 or \$23.21 per square foot of living area falls within the range established by the best comparables in the record. After considering adjustments to the best comparables for

differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
