

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Shengguang Qu
DOCKET NO.: 23-22927.001-R-1 through 23-22927.002-R-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Shengguang Qu, the appellant(s), by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
23-22927.001-R-1	05-35-107-039-0000	6,500	37,500	\$44,000
23-22927.002-R-1	05-35-107-040-0000	919	668	\$1,587

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of an approximately 64-year-old two-story dwelling of masonry construction with 1,453 square feet of living area. Features of the home include a slab foundation, 1.5 bathrooms, and central air conditioning. The property has an approximately 1,354 square foot site and is located in Wilmette, New Trier Township, Cook County. The subject is classified as a class 2-10 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables. These comparables have the same neighborhood code as the subject property and are located 13 feet away, 82 feet away, 0.1 mile away, or 0.4 miles away. These are 64- to 73-year-old class 2-10 two-story residences with masonry construction. The comparables have between 1,426 and 1,440 square

feet of living area and have improvement assessments that are between \$22.64 and \$23.04 per square foot. The appellant is requesting a total assessment of \$41,143.

The board of review submitted its "Board of Review Notes on Appeal". Per the attached board of review decision letter, the total assessment for the subject is \$45,587. The subject property has an improvement assessment of \$38,168 or \$26.27 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables. These comparables have the same neighborhood code as the subject property and are located on the same block. These comparables are 64- or 68-year-old two-story residences with masonry construction. The comparables have between 1,144 and 1,453 square feet of living area and have improvement assessments between \$25.81 and \$29.28 per square foot. The board of review is requesting that the current assessment be confirmed.

Conclusion of Law

The taxpayer asserts assessment inequity as the basis of the appeal. The Illinois Constitution requires that real estate taxes, "be levied uniformly by valuation ascertained as the General Assembly shall provide by law." Ill. Const. art. IX, §4 (1970); Walsh v. Property Tax Appeal Board, 181 Ill. 2d 228, 234 (1998). This uniformity provision of the Illinois Constitution does not require absolute equality in taxation, however, and it is sufficient if the taxing authority achieves a reasonable degree of uniformity. Peacock v. Property Tax Appeal Board, 339 Ill. App. 3d 1060, 1070 (4th Dist. 2003).

When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e); Walsh, 181 Ill. 2d at 234 (1998). Clear and convincing evidence means more than a preponderance of the evidence, but it does not need to approach the degree of proof needed for a conviction of a crime. Bazyldo v. Volant, 164 Ill. 2d 207, 213 (1995). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of assessment equity to be appellant's comparables #1 and #2 and board of review's comparables #1 and #4. As for comparables that are not best evidence, appellant's comparables #3 and #4 have full basements as opposed to a slab foundation. Board of review's comparables #2 and #3 are smaller than the subject property. The best comparables had improvement assessments that ranged from \$22.64 to \$26.30 per square foot of living area. The subject's improvement assessment of \$26.27 per square foot of living area falls within the range established by the best comparables in this record. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
