

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Laurel Tyler & Peter Mitchell
DOCKET NO.: 23-23190.001-R-1
PARCEL NO.: 10-12-402-013-0000

The parties of record before the Property Tax Appeal Board are Laurel Tyler & Peter Mitchell, the appellant(s), by attorney Michael Elliott, of Elliott & Associates Attorneys, PLLC in Des Plaines; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$15,750
IMPR.: \$28,050
TOTAL: \$43,800

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 7,000 square foot parcel of land improved with a 101-year-old, one and one-half story, stucco, single-family dwelling containing 1,554 square feet of building area. The property is located in Evanston, Evanston Township, Cook County and is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, appellant submitted copies of the multiple listing service database (MLS) and settlement statement which disclosed the subject was purchased on Sept 2, 2022 for \$438,000. The petition discloses that the transfer was not between related parties, that the property was sold using a realtor, was advertised on the multiple listing for 40 days, and that the property was not sold due to a foreclosure or for a contract for deed. The settlement statement listed commissions to realty companies. The appellant included a "2022 Cook County Final Multiplier Announced" article

listing the three-year median level of assessment and argued the use of a 9.16% level of assessment. The petition discloses the subject is not an owner-occupied residence.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's total assessment of \$52,579 which reflects a market value of \$525,790 using the Cook County Real Estate Classification Ordinance level of assessment for class 2 property of 10%.

In support of the current assessment, the board of review submitted information on four sales comparables. These properties are described as one or one and one-half story, stucco or frame, single-family dwellings. They sold from September 2020 to August 2023 for prices ranging from \$369.36 to \$707.52 per square foot of building area. The board of review also listed the sale of the subject in October 2022 for \$438,000.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of market value to be the purchase of the subject property in September 2021 for a price of \$438,000. The appellant submitted evidence of the sale of the subject and the board of review did not show the sale was not at arm's-length but included the sale in its own evidence. Based on this record the Board finds the subject property had a market value of \$438,000 as of the lien date. The Board gives no weight to the appellant's level of assessment argument as the evidence was insufficient. Since market value has been determined, the level of assessment of 10% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance shall apply and a reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
