

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mary Jimenez
DOCKET NO.: 23-23213.001-R-1
PARCEL NO.: 27-22-306-005-0000

The parties of record before the Property Tax Appeal Board are Mary Jimenez, the appellant; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$8,120
IMPR.: \$34,226
TOTAL: \$42,346

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 25-year-old, two-story, single-family dwelling of frame and masonry construction with 2,732 square feet of living area. Features of the home include a full unfinished basement, central air conditioning, a fireplace and a two-car garage. The property has an 11,600 square foot site and is located in Orland Park, Orland Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The taxpayer asserts assessment inequity as a basis of the appeal. In support of this argument, the taxpayer submitted information on four suggested equity comparables. The taxpayer also asserts that the market value of the subject property is not accurately reflected in its assessed valuation. The taxpayer submitted information on four suggested sales comparables in support of this argument. Based on this evidence, the appellant is requesting an assessment amount of \$41,600.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$48,000. The subject property has an improvement assessment of \$39,880 or \$14.60 per square foot of living area. The subject property's assessment reflects a market value of \$480,000, land included, or \$175.70 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on four suggested equity comparables; one of which contained sales data. All of the comparables were located within a quarter mile of the subject property.

Conclusions of Law

The taxpayer asserts that the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal, the taxpayer must prove the value of the property by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e); Winnebago County Bd. of Review v. Property Tax Appeal Bd., 313 Ill. App. 3d 1038, 1043 (2d Dist. 2000). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment on this basis is not warranted.

The Board concludes that the best evidence of the subject's market value is appellant's comparables #1, #3 and #4 and the board of review's comparable #1. Like the subject property, these comparables are two-story, single-family dwellings of frame and masonry construction with similar living areas, amenities and locations within a mile of the subject property and in the same subarea.

As a preliminary matter, this Board finds that the board of review's own sales comparable supports a reduction. These comparables sold between February 2020 and March 2023 for amounts ranging from \$135.98 to \$164.71 per square foot of living area, land included in the sales prices. The subject property's assessment reflects a market value of \$480,000, land included, or \$175.70 per square foot of living area, which is within the above range. Accordingly, the Board determines that the appellant has established by a preponderance of the evidence that the subject property was overvalued. Since market value has been determined, the Board finds that the subject is now fairly and equitably assessed.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
