The parties of record before the Property Tax Appeal Board are Northern Developers, LLC, the appellant(s), by attorney Brian P. Liston, of the Law Offices of Liston & Tsantilis, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds ***A Reduction*** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
23-23303.001-R-1	04-01-401-048-0000	459	0	$459

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The property is a 13,875 square foot site located in Glencoe, New Trier Township, Cook County. The subject is classified as class 2-06 property under the Cook County Real Property Assessment Classification Ordinance. The subject improvement is an approximately 120-year-old, two-story dwelling of masonry construction with 2,780 square feet of living area. Features of the home include two full bathrooms, a half bath, a full basement, one fireplace, air conditioning, and an attached two-car garage.

The appellant contends overvaluation as the basis of the appeal. The sale occurred on December 28th in the year, 2022, for a cash real estate transaction in the amount of $905,000. In support of this argument, the appellant submitted a recent sale. To prove the content of the sale, the appellant also submitted the real estate contract, a warranty deed, and a master statement.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of $90,500. The subject's assessment reflects a market value of $905,000 or $23.57 per square foot of living area, including land, when applying the Cook County Real Property Assessment Classification Ordinance of 10% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four sales comparable properties with varying degrees of similarities to the subject. Two of the suggested comparable properties are in the same neighborhood and within a quarter mile of the subject. They range in age from 72 to 94 years; in size from 2,514 to 3,253 square feet of living area; and sold from February 2021 to October 2023 for prices ranging from $22.32 to $26.50 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of market value to be the purchase of the subject property in December 2022 for a price of $905,000. The appellant provided evidence demonstrating the sale had the elements of an arm's length transaction. The appellant completed Section IV - Recent Sale Data of the appeal disclosing the parties to the transaction were not related and the property had been advertised for sale. In further support of the transaction the appellant submitted a copy of the sales contract and settlement statement contemplating a transaction between a willing seller and a willing buyer. The Board finds the board of review did not present any evidence to challenge the arm's length nature of the transaction. Therefore, a reduction in the subject's assessment commensurate with the appellant's request is appropriate.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
