

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Erin Clark
DOCKET NO.: 23-23847.001-R-1
PARCEL NO.: 16-06-117-026-0000

The parties of record before the Property Tax Appeal Board are Erin Clark, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$12,301
IMPR.: \$63,517
TOTAL: \$75,818

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of an 8,066 square foot parcel of land improved with a 97-year-old, two-story, masonry, single-family dwelling containing 2,808 square feet of building area. Amenities include a full basement, and a two and one-half car garage. The property is located in Oak Park, Oak Park Township, Cook County and is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends inequity as the basis of the appeal. In support of this argument, the appellant submitted data on six suggested comparables located within .8 miles of the subject. These comparables are described as two-story, masonry, single-family dwellings. They range: in age from 70 to 98 years; in size from 2,684 to 3,025 square feet of building area; and in improvement assessment from \$17.91 to \$21.73 per square foot of building area. These properties have full basements, one fireplace, one to three and one-half baths, and a one or two-car garage.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's assessment of \$75,818 with an improvement assessment of \$63,518 or \$22.62 per square foot of building area.

In support of the current assessment, the board of review submitted data on four suggested comparables located on the subject's Sidwell block. These comparables are described as two-story, masonry, single-family dwellings. They range: in age from 81 to 94 years; in size from 2,314 to 2,986 square feet of building area; and in improvement assessment from \$22.71 to \$25.22 per square foot of building area. Amenities include two or two and one-half bath, partial or full basements, and two-car garages.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b).

The Board finds the best evidence of assessment equity to be the appellant's comparables #1, #2, #3, and #4 and the board of review's comparables #2, #3, and #4. The remaining comparables were given less weight due to differences in size. These comparables were the same age and size as the subject and had improvement assessments ranging from \$17.91 to \$25.22 per square foot of building area. In comparison the subject's improvement assessment of \$22.62 per square foot of building area is within the range of the best comparables in this record. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's improvements is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
