

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: DORISS FRANCES LAKIN
DOCKET NO.: 23-24015.001-R-1
PARCEL NO.: 16-06-109-007-0000

The parties of record before the Property Tax Appeal Board are DORISS FRANCES LAKIN, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 13,648
IMPR.: \$ 64,163
TOTAL: \$ 77,811

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) after receiving a decision from the Cook County Board of Review. The instant appeal challenges the assessment for tax year 2023. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of this appeal.

Findings of Fact

The subject consists of a two-story single-family dwelling of masonry construction with 3,070 square feet of living area. The dwelling is 84 years old. Features of the home include a full basement with a formal recreation room, central air conditioning, three fireplaces, and a two-car garage. The property's site is 8,950 square feet, and it is located in Oak Park Township, Cook County. The subject is classified as a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument, the appellant submitted information on six equity comparables. In Section II of the appeal form, the appellant stated that the subject is owner-occupied. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$69,525.

The board of review submitted its “Board of Review Notes on Appeal” disclosing that the total assessment for the subject is \$77,812. The subject property has an improvement assessment of \$64,163, or \$20.90 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables.

In rebuttal, the appellant argued that the board of review’s comparables were not similar to the subject in improvement size.

The Board scheduled a hearing for this appeal to take place on February 21, 2025 via Webex. At the time of hearing, the appellant did not appear. The Board’s ALJ called the appellant and, after a lengthy discussion, the appellant agreed to waive her request for a hearing and to have the decision be written on the evidence submitted. The board of review representative heard the entirety of this telephone conversation. While the telephone conversation was not done on the record, the ALJ summarized the discussion on the record and the board of review’s representative agreed that the ALJ’s summary was accurate. The board of review also agreed to waive any request for a hearing. As such, the Board will write this decision on the evidence.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proven by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof, and that a reduction in the subject’s assessment is not warranted.

The Board finds the best evidence of assessment equity to be all of the appellant’s equity comparables, and board of review equity comparables #2 and #3. These equity comparables had improvement assessments ranging from \$16.95 to \$22.00 per square foot of living area. The subject’s improvement assessment of \$20.90 per square foot of living area falls within the range established by the best comparables in this record. Based on this record, the Board finds the appellant has not proven, with clear and convincing evidence, that the subject is inequitably assessed, and that a reduction in the subject’s assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
