

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: ABC Turnkey Prop LLC Series E
DOCKET NO.: 23-25255.001-R-1
PARCEL NO.: 29-26-107-024-0000

The parties of record before the Property Tax Appeal Board are ABC Turnkey Prop LLC Series E, the appellant, by attorney Brian P. Liston, of the Law Offices of Liston & Tsantilis, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$5,698
IMPR.: \$14,561
TOTAL: \$20,259

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a multi-level dwelling of frame and masonry exterior construction with 1,705 square feet of above grade living area. The dwelling is approximately 56 years old. Features of the home include a basement with finished area, central air conditioning and a 2-car garage. The property has an approximately 10,360 square foot site and is located in South Holland, Thornton Township, Cook County. The subject is classified as a class 2-34 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on three equity comparables located in the same assessment neighborhood code and from 0.10 of a mile to 1.0 mile from the subject property. The comparables are improved with multi-level class 2-34 dwellings of masonry or frame and masonry exterior construction ranging in size from 1,751 to

1,822 square feet of above grade living area that range in age from 51 to 57 years old. Each comparable has a basement, central air conditioning and a 2-car garage. One home has a fireplace. The comparables have improvement assessments ranging from \$13,518 to \$14,687 or from \$7.52 to \$8.39 per square foot of above grade living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$13,111 or \$7.69 per square foot of above grade living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$20,259. The subject property has an improvement assessment of \$14,561 or \$8.54 per square foot of above grade living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables located in the same assessment neighborhood code and the same block as the subject property. The comparables are improved with multi-level class 2-34 dwellings of frame and masonry exterior construction ranging in size from 1,569 to 1,834 square feet of above grade living area. The homes range in age from 55 to 57 years old. Each comparable has a basement with finished area, central air conditioning, one fireplace and a 2-car garage. The comparables have improvement assessments ranging from \$15,662 to \$17,149 or from \$8.73 to \$10.39 per square foot of above grade living area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted seven equity comparables for the Board's consideration. The Board gives less weight to appellant comparables #1 and #2 along with board of review comparables #3 and #4 which are less similar to the subject in location and/or dwelling size than other properties in the record. The Board finds the best evidence of assessment equity to be appellant comparable #3 and board of review comparables #1 and #2 which are identical or nearly identical to the subject in location, age, design, dwelling size and features. These comparables have improvement assessments ranging from \$14,687 to \$17,149 or from \$8.39 to \$10.07 per square foot of above grade living area. The subject's improvement assessment of \$14,561 or \$8.54 per square foot of above grade living area falls below the range established by the best comparables in this record on an overall improvement assessment basis and within the range on a per square foot basis. After considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
