

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mark Harmon  
DOCKET NO.: 23-25538.001-R-1  
PARCEL NO.: 15-01-416-015-0000

The parties of record before the Property Tax Appeal Board are Mark Harmon, the appellant(s), by attorney Stephanie Park, of Park & Longstreet, P.C. in Inverness; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$11,280  
**IMPR.:** \$71,220  
**TOTAL:** \$82,500

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant filed a timely appeal from a decision of the Cook County Board of Review pursuant to Section 16-160 of the Property Tax Code (*35 ILCS 200/16-160*) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property is improved with a 102-year-old, two-story building of frame construction. It contains 3,662 square feet of gross building area. Features of the subject include a full unfinished basement, central air conditioning, one fireplace, and a three-car garage. The property is situated on 9,400 square feet of land in River Forest Township, Cook County. It is a Class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation and assessment inequity as the bases of the appeal. In support of the overvaluation argument, the appellant submitted an appraisal estimating the subject property had a market value of \$825,000 as of January 1, 2023. In support of the

assessment inequity argument, the appellant submitted information on five suggested equity comparable properties. The appellant requested a total assessment reduction to \$79,100.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$98,000. The subject property has an improvement assessment of \$86,720, or \$23.68 per square foot of living area. The subject's assessment reflects a market value of \$980,000, or \$267.61 per square foot of living area including land, when applying the 2023 level of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance. In support of its contention of the correct assessment, the board of review submitted information on three suggested equity comparable properties and on three suggested sale comparable properties.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. *86 Ill.Admin.Code §1910.63(e)*. Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. *86 Ill.Admin.Code §1910.65(c)*. The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The Board finds the subject property had a market value of \$825,000 as of the assessment date at issue. Since market value has been established, the 2023 level of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance shall apply.

Since market value has been determined, the Board finds that the subject is now fairly and equitably assessed. *See Central Nursing Realty, LLC v. Illinois Property Tax Appeal Board*, 2020 IL App (1st) 180994, ¶¶ 34-36, thereby obviating the need to rule on the appellant's assessment inequity argument.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
