

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jurgita Aciene
DOCKET NO.: 23-25590.001-R-1
PARCEL NO.: 27-07-209-011-0000

The parties of record before the Property Tax Appeal Board are Jurgita Aciene, the appellant(s), by attorney Andreas Mamalakis, of the Law Offices of Andreas Mamalakis in Kenosha; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$6,353
IMPR.: \$31,646
TOTAL: \$37,999

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a multi-story dwelling of frame and masonry construction with 1,504 square feet of living area. The dwelling is approximately thirty-five years old. Features of the home include a partial basement, central air conditioning, a fireplace and a two-car garage. The property is located in Orland Park, Orland Township, Cook County. The subject is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on five equity comparables. Each of the appellant comparables are multi-level homes with similar features. They range in size from 1,504 to 1,674 square feet of living space; and in improvement assessment from \$22,692 to \$26,800 or \$14.43 to \$17.82 per square foot of living space. The appellant comparable properties are listed as

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$37,999. The subject property has an improvement assessment of \$31,646 or \$21.04 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on three equity comparables. Each of the board comparables are multi-unit structures of frame and masonry construction. They are each of similar size and features and range from 1,250 to 1,504 square feet of living space; and in improvement assessment from \$28,995 to \$32,700 or \$20.47 to \$23.20 per square foot. Each of the board comparables are listed on the same block. The board of review is asking for no change in assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant *did not meet* this burden of proof and a reduction in the subject's assessment *is not* warranted.

The Board finds the best evidence of assessment equity to be *board of review comparables one through three*. These comparables had improvement assessments that ranged from \$20.47 to \$23.20 per square foot of living area. The subject improvement assessment of \$21.04 per square foot of living area falls within the range established by the best comparables in this record. Based on this record the Board finds the appellant *did not* demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment *is not* justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
