

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: David Blakely
DOCKET NO.: 23-26614.001-R-1
PARCEL NO.: 07-24-115-003-0000

The parties of record before the Property Tax Appeal Board are David Blakely, the appellant, by attorney Andreas Mamalakis, of the Law Offices of Andreas Mamalakis in Kenosha; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$13,773
IMPR.: \$29,889
TOTAL: \$43,662

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of frame exterior construction with 2,430 square feet of living area. The dwelling is approximately 29 years old. Features of the home include a full basement, central air conditioning, a fireplace and a 2-car garage. The property has a 10,595 square foot site and is located in Schaumburg, Schaumburg Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on five comparables located within the subject's assessment neighborhood and within 0.28 of a mile from the subject. The comparables consist of class 2-78, 2-story dwellings of frame exterior construction ranging in size from 2,293 to 2,722 square feet of living area. The dwellings are 31 or 32 years old.

Each comparable has a partial or full basement, central air conditioning, a fireplace and a 2-car garage. The comparables have improvement assessments ranging from \$26,071 to \$34,216 or from \$11.37 to \$13.50 per square foot of living area. Based on this evidence, the appellant requested that the improvement assessment be reduced.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$52,702. The subject property has an improvement assessment of \$38,929 or \$16.02 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on three comparables located within the same assessment neighborhood, and one of which is located within the subject's subarea (according to the PIN beginning with #07-24) and approximately ¼ of a mile from the subject. The comparables consist of class 2-78, 2-story dwellings of frame exterior construction ranging in size from 2,273 to 2,330 square feet of living area. The dwellings are 28 or 29 years old. Each comparable has a partial or full basement, central air conditioning, 1 or 3 fireplaces and either a 2-car or a 3-car garage. The comparables have improvement assessments ranging from \$37,777 to \$41,526 or from \$16.62 to \$17.82 per square foot of living area. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The record contains a total of eight equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparable #3 which is less similar to the subject in dwelling size than the other comparables in the record. The Board also gives less weight to the board of review's comparables #1 and #2 which according to the PINs are located within a different subarea than the subject property.

The Board finds the best evidence of assessment equity to be the appellant's comparables #1, #2, #4 and #5 as well as the board of review comparable #3 which are relatively similar or identical to the subject in location, age, dwelling size, and/or other features. These five comparables have improvement assessments ranging from \$26,071 to \$37,777 or from \$11.37 to \$16.62 per square foot of living area. The subject's improvement assessment of \$38,929 or \$16.02 per square foot of living area falls above the range established by the best comparables in the record on an overall basis and within the range on a per-square-foot basis. After considering adjustments to the best comparables for differences from the subject, the Board finds the appellant demonstrated with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment commensurate with the appellant's request is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
