

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Rodolfo Ochoa
DOCKET NO.: 23-27110.001-R-1
PARCEL NO.: 16-21-100-012-0000

The parties of record before the Property Tax Appeal Board are Rodolfo Ochoa, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$3,628
IMPR.: \$26,191
TOTAL: \$29,819

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story building of masonry exterior construction with 3,307 square feet of building area. The building is approximately 63 years old. Features of the building include a partial basement and a 2-car garage. The property has a 3,375 square foot site and is located in Cicero, Cicero Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales that have the same property classification code and assessment neighborhood code as the subject. The comparables have sites that range in size from 2,405 to 5,104 square feet of land area. The comparables are improved with 1.5-story or 2-story buildings of frame or masonry exterior construction ranging in size from 2,216 to 4,064 square feet of building area. The buildings are from 99 to 115 years old. Three comparables each have a full basement and one comparable has a slab foundation. Each comparable has one fireplace and a 2-car garage. The properties sold from September 2021 to

July 2023 for prices ranging from \$130,000 to \$330,000 or from \$58.66 to \$81.20 per square foot of building area, land included. Based on this evidence, the appellant requested the subject's total assessment be reduced to \$24,187, reflecting a market value of \$241,870 or \$73.14 per square foot of building area, land included, when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$29,819. The subject's assessment reflects a market value of \$298,190 or \$90.17 per square foot of building area, including land, when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%. In support of its contention of the correct assessment the board of review submitted information on four comparable sales that have the same property classification code and assessment neighborhood code as the subject. The comparables have sites that range in size from 3,375 to 4,830 square feet of land area. The comparables are improved with 2-story buildings of masonry exterior construction ranging in size from 1,780 to 3,175 square feet of building area. The buildings are from 46 to 105 years old. The comparables each have a full basement. One comparable has two fireplaces and two comparables each have a 2-car garage. The properties sold from June 2021 to December 2023 for prices ranging from \$270,000 to \$435,000 or from \$132.28 to \$157.13 per square foot of building area, land included. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains eight comparable sales for the Board's consideration. The Board has given less weight to the appellant's comparables #1, #3 and #4, as well as board of review comparables #1 and #2, which differ from the subject in building size, foundation, design and/or age.

The Board finds the best evidence of market value to be the appellant's comparable sale #2, along with board of review comparable sales #3 and #4, which have the same property classification code and assessment neighborhood code as the subject. The comparables are similar to the subject in building size, foundation, design and have varying degrees of similarity when compared to the subject in age and some features. These three comparables sold from July to December 2023 for prices ranging from \$240,000 to \$435,000 or from \$80.38 to \$144.23 per square foot of building area, including land. The subject's assessment reflects a market value of \$298,190 or \$80.38 per square foot of building area, including land, which falls within the range established by the best comparable sales in the record. Based on this and after considering adjustments to the best comparable sales for differences from the subject, the Board finds a reduction in subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
