

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Derek Briggs
DOCKET NO.: 23-27278.001-R-1
PARCEL NO.: 15-01-411-002-0000

The parties of record before the Property Tax Appeal Board are Derek Briggs, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$14,664
IMPR.: \$79,336
TOTAL: \$94,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of masonry exterior construction with 3,344 square feet of living area. The dwelling is approximately 95 years old. Features of the home include a full basement, one fireplace, and a 2.5-car garage. The property has a 12,220 square foot site and is located in River Forest, River Forest Township, Cook County. The subject is classified as a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales with the same assessment neighborhood code and property classification code as the subject. The comparables have sites ranging in size from 9,250 to 12,950 square feet of land area that are improved with 2-story dwellings of frame and masonry or masonry exterior construction ranging in size from 3,031 to

3,819 square feet of living area. The dwellings are 99 to 103 years old and have full basements. Two comparables have central air conditioning. Each comparable has two fireplaces and a 2-car, a 2.5-car or a 3-car garage. The comparables sold from April 2021 to February 2023 for prices ranging from \$725,000 to \$855,000 or from \$223.88 to \$252.05 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$94,000. The subject's assessment reflects a market value of \$940,000 or \$281.10 per square foot of living area, including land, when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales with the same assessment neighborhood code and property classification code as the subject. The comparables have sites ranging in size from 9,250 to 12,950 square feet of land area that are improved with 2-story dwellings of frame or masonry exterior construction ranging in size from 3,218 to 3,839 square feet of living area. The dwellings are 96 to 105 years old and have full basements. Two comparables have central air conditioning. Each comparable has one or two fireplaces and a 2-car garage. The comparables sold from March 2020 to May 2023 for prices ranging from \$980,000 to \$1,725,000 or from \$304.54 to \$449.34 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains eight suggested comparable sales for the Board's consideration that have the same neighborhood and property classification codes as the subject. The Board gives less weight to appellant's comparable sale #4 as well as board of review comparable sales #2, #3 and #4 which sold less proximate in time to the January 1, 2023, assessment date than the other sales in the record and/or are less similar to the subject in dwelling size.

The Board finds the best evidence of market value to be appellant's comparable sales #1, #2 and #3 along with board of review comparable sale #1 which sold more proximate in time to the assessment date at issues and are more similar to dwelling size. These comparables also have varying degrees of similarity in age and features. The comparables sold from December 2021 to May 2023 for prices ranging from \$725,000 to \$980,000 or from \$227.52 to \$304.54 per square foot of living area, including land. The subject's assessment reflects a market value of \$940,000 or \$281.10 per square foot of living area, including land which falls within the range established by the best comparable sales in this record. After considering adjustments to the best

comparables for differences when compared to the subject, the Board finds the appellant did not prove by a preponderance of the evidence that a reduction in the subject's assessment is justified based on overvaluation.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
