

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANTS: Artemicia & Panagiot Stamus
DOCKET NO.: 23-27749.001-R-1
PARCEL NO.: 27-23-107-082-0000

The parties of record before the Property Tax Appeal Board are Artemicia & Panagiot Stamus, the appellants, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$3,471
IMPR.: \$20,528
TOTAL: \$23,999

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellants timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of frame and masonry exterior construction with 1,263 square feet of living area. The dwelling is approximately 38 years old. Features of the home include a concrete slab foundation, 1½ bathrooms, central air conditioning, one fireplace and a 1-car garage.¹ The property has an approximately 5,341 square foot site and is located in Tinley Park, Orland Township, Cook County. The subject is classified as a class 2-07 property under the Cook County Real Property Assessment Classification Ordinance.

The appellants contend assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellants submitted information on six equity comparables located in the same assessment neighborhood code as the subject property. The

¹ The Board finds the best description of the subject property was found in the Property Search Details printout submitted by the appellant and not refuted by the board of review.

comparables are improved with 2-story class 2-07 dwellings of frame and masonry exterior construction ranging in size from 1,797 to 1,998 square feet of living area. The homes range from 37 to 45 years old. Three comparables have a basement and three dwellings each have a concrete slab foundation. Each property has from 1½ to 2½ bathrooms, one or two fireplaces and a 2-car garage. Five home have central air conditioning. The comparables have improvement assessments ranging from \$24,150 to \$30,100 or from \$12.96 to \$15.18 per square foot of living area. Based on this evidence, the appellants requested the subject's improvement assessment be reduced to \$17,859 or \$14.14 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$23,999. The subject property has an improvement assessment of \$20,528 or \$16.25 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables located in the same assessment neighborhood code as the subject property. The comparables are improved with 2-story class 2-07 dwellings of masonry or frame and masonry exterior construction ranging in size from 1,213 to 1,856 square feet of living area. The homes range from 37 to 41 years old. Two comparables have a basement and two comparables have either a crawl space or concrete slab foundation. Each dwelling has 1½ bathrooms and a 1-car or a 2-car garage. Three homes have central air conditioning and two comparables each have one fireplace. The comparables have improvement assessments ranging from \$21,425 to \$25,466 or from \$13.21 to \$18.88 per square foot of living area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellants contend assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellants did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted ten equity comparables for the Board's consideration. The Board gives less weight to the appellants' comparables along with board of review comparables #3 and #4 which differ from the subject in dwelling size, bathroom count and garage capacity.

The Board finds the best evidence of assessment equity to be board of review comparables #1 and #2 which are more similar to the subject in location, age, design, dwelling size, bathroom count and garage amenity. However, these comparables present varying degrees of similarity to the subject in foundation type, suggesting an adjustment for this difference from the subject is needed. These two comparables have improvement assessments of \$21,425 and \$22,899 or \$16.38 and \$18.88 per square foot of living area. The subject's improvement assessment of \$20,528 or \$16.25 per square foot of living area falls below the two best comparables in this record. After considering adjustments to the best comparables for differences from the subject, the Board finds the appellants did not demonstrate with clear and convincing evidence that the

subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
