

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Athanasia Demou
DOCKET NO.: 23-27778.001-R-1
PARCEL NO.: 27-01-303-004-0000

The parties of record before the Property Tax Appeal Board are Athanasia Demou, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$7,969
IMPR.: \$31,030
TOTAL: \$38,999

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of masonry exterior construction containing 2,242 square feet of living area. The home is approximately 36 years old. Features include a partial basement, central air conditioning and a 2.5-car garage. The property has a 10,625 square foot site and is located in Orland Park, Orland Township, Cook County. The subject is classified as a class 2-04 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within the same assessment neighborhood as the subject. The comparables have sites ranging from 12,500 to 38,880 square feet of land area that are improved with class 2-04, 1-story dwellings of masonry exterior construction ranging in size from 2,250 to 4,712 square feet of living area. The dwellings are 36

or 45 years old. Each comparable has a partial or a full basement and either a 2-car, a 2.5-car or a 3-car garage. Two comparables each have central air conditioning. The comparables sold from January 2022 to July 2023 for prices ranging from \$275,000 to \$775,000 or from \$122.22 to \$164.47 per square foot of living area, including land.

Based on this evidence the appellant requested the subject's total assessment be reduced to \$33,729, which reflects a market value of \$337,290 or \$150.44 per square foot of living area, including land, when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$38,999. The subject's assessment reflects a market value of \$389,990 or \$173.95 per square foot of living area, including land, when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment the board of review submitted information on four comparables located within the same assessment neighborhood as the subject. Comparable #4 is the same property as the appellant's comparable #3. The comparables have sites ranging from 11,875 or 19,133 square feet of land area that are improved with class 2-04, 1-story of masonry exterior construction ranging in size from 2,245 to 2,718 square feet of living area. The dwellings are 35 to 37 years old. The comparables have a partial or a full basement, central air conditioning and either a 2.5-car or a 3-car garage. These comparables sold in October 2020 or September 2022 for prices ranging from \$346,000 to \$537,000 and from \$151.22 or \$197.57 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted seven comparable sales for the Board's consideration, as one comparable is common to both parties. The Board gives less weight to the appellant's sales #1 and #4 and board of review's sale #2 due to significant differences from the subject in site size and/or dwelling size. The Board also gives less weight to the board of review comparable #3 which sold in October 2020 less proximate in time to the January 1, 2023 assessment date at issue.

The Board finds the best evidence of market value to be the appellant's sale #2, the board of review sales #1, and the parties' common comparable sale. These comparables sold more proximate in time to the assessment date at issue and are relatively similar to the subject in design, age, dwelling size and most feature. These three comparables sold from January 2022 to September 2022 for prices ranging from \$346,000 to \$420,000 or from \$151.22 to \$187.08 per

square foot of living area, including land. The subject's assessment reflects a market value of \$389,990 or \$173.95 per square foot of living area, including land, which falls within the range established by the best comparable sales in the record. After considering the appropriate adjustments to the best comparable sales for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
