FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Maciej Drazkiewicz
DOCKET NO.: 23-28201.001-R-1
PARCEL NO.: 05-07-100-001-0000

The parties of record before the Property Tax Appeal Board are Maciej Drazkiewicz, the appellant(s), by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds ***A Reduction*** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	$55,993
IMPR.:	$6,007
TOTAL:	$62,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1.5-story dwelling of frame construction with 2,346 square feet of living area. The dwelling was 111 years old. Features of the home include a full basement, a fireplace, and a two-car garage. The property has a 33,250 square foot site and is located in Glencoe, New Trier Township, Cook County. The property is a class 2-04 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of $620,000 as of January 1, 2022. The appraisal was prepared by a certified residential real estate appraiser who asserted that the highest and best use of the subject property as improved was its present use. The appraiser inspected the property on August 4, 2022, and used the sales comparison and cost approaches to valuation.

Under the sales comparison approach, the appraiser utilized three comparable sales properties located within 0.50-mile radius of the subject property. The comparable properties sites ranged in size from 11,270 to 20,916 square feet of land area and from 1,920 to 3,045 square feet of living area. The properties are each improved with a 1.5- or two-story single-family dwelling of frame, brick, or frame and brick construction that were from 6 to 97 years old. The comparable properties sold from May 2021 to August 2021 for prices ranging from $601,000 to $730,000 or from $239.74 to $333.01 per square foot of living area, land included in the sales prices. The appraiser adjusted, as applicable, for condition, room count, gross living area, site, rooms below grade, actual age, and basement/finish. The appraiser concluded that based on the sales data and applying adjustments to the comparable sales for differences from the subject, the subject had a market value of $620,000. Based on this evidence the appellant is seeking a reduction in the subject's assessment to reflect the appraisal.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of $111,993. The subject's assessment reflects a market value of $1,119,930 or $477.38 per square foot of living area, including land, when applying the level of assessments for class two property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales properties which were sold from May 2021 to September 2023 for sales prices from $1,155,500 to $1,781,974 or from $336.53 to $652.02 per square foot of living area,
land included in the sales prices. These properties were located within the same subarea as the subject including three within a ¼-mile radius of the subject. The improvements were from 64 to 113 years old and had from 2,447 to 3,860 square feet of living area. Based on this evidence the board of review requested confirmation of the subject's assessment.

This matter was scheduled to proceed to hearing. Prior to the hearing, the parties submitted a written request to waive the hearing and have the matter decided based on the evidence previously submitted. The administrative law judge granted the parties' request.

Conclusion of Law

The appellant contends overvaluation in the assessment process. However, the subject had a previous decision. The Property Tax Appeal Board finds that the assessment as established by the Board for the 2022 tax year should be carried forward to the tax year at issue subject only to equalization as provided by section 16-185 of the Property Tax Code.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) states in part:

> If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction

> establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.
> 35 ILCS 200/16 -185.

Additionally, "Standard of proof. Unless otherwise provided by law or stated in the agency's rules, the standard of proof in any contested case hearing conducted under this Act by an agency shall be the preponderance of the evidence." 5 ILCS 100/10 15. The Board takes official notice that it rendered a decision lowering the subject's assessment for tax year 2022 (86 Ill.Admin.Code §1910.90(i)), and that tax year 2022 and the instant tax year of 2023 are in the same general assessment period for New Trier Township. The Board further finds that the subject is owner occupied based on the appellant's response to Section 1b of the residential appeal form, which states that the subject is owner occupied. The record contains no evidence indicating that the subject sold in an arm's length transaction subsequent to the Board's decision for the 2022 tax year, or that the Board's decision for the 2022 tax year was reversed or modified upon review. For these reasons, the Board finds by a preponderance of the evidence that the subject's assessment should be carried forward to the 2023 tax year, pursuant to section 16-185 of the Property Tax Code, to reflect the Board's decision for the 2022 tax year, plus the application of an equalization factor, if any.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
