

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Waldemar Wojciechowski  
DOCKET NO.: 23-29075.001-R-1  
PARCEL NO.: 22-28-214-008-0000

The parties of record before the Property Tax Appeal Board are Waldemar Wojciechowski, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$5,717  
**IMPR.:** \$43,282  
**TOTAL:** \$48,999

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of frame and masonry exterior construction with 2,596 square feet of living area. The dwelling is approximately 29 years old. Features of the home include a partial basement, central air conditioning, two fireplaces,<sup>1</sup> 2½ bathrooms and a 2-car garage. The property has an 8,796 square foot site and is located in Lemont, Lemont Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on five equity comparables located within the subject's assessment neighborhood code, within .13 of a mile

<sup>1</sup> The Board finds the best description of subject property is found in appellant's Section III and Section V of the Residential Appeal Form PTAB1A submitted by appellant.

from the subject and are all located on the same street as subject. The comparables are composed of class 2-78 two-story dwellings of frame and masonry exterior construction, ranging in size from 2,499 to 2,908 square feet of living area. The homes are approximately 24 to 34 years old. Each property has a partial or full basement, 2½ bathrooms, central air conditioning, two fireplaces, and a 2-car or 3-car garage. The comparables have improvement assessments that range from \$38,735 to \$45,483 or from \$15.25 to \$15.78 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$40,420 or \$15.57 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$48,999. The subject property has an improvement assessment of \$43,282 or \$16.67 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on three equity comparables located within the subject's assessment neighborhood code and situated either within one-quarter mile of the subject or on the same block. Two comparables are located on the same street as subject. The comparables are composed of class 2-78 two-story dwellings of frame and masonry exterior construction ranging in size from 2,404 to 2,632 square feet of living area. The homes are approximately 20 to 27 years old. Each property has a full basement, 2½ bathrooms, central air conditioning, a fireplace, and a 2-car or 3-car garage. The comparables have improvement assessments that range from \$40,507 to \$44,270 or \$16.82 to \$17.94 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight equity comparables to support their respective positions before the Property Tax Appeal Board. The Board finds all comparables have similar characteristics to the subject property in dwelling size, age, basement amenity, garage, location and other features. The comparables have improvement assessments that range from \$38,735 to \$45,483 or from \$15.25 to \$17.94 per square foot of living area. The subject's improvement assessment of \$43,282 or \$16.67 per square foot of living area falls within the range established by the best comparables in the record. Based on this record and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
