

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Susan Schmidt
DOCKET NO.: 23-31876.001-R-1
PARCEL NO.: 02-36-408-015-0000

The parties of record before the Property Tax Appeal Board are Susan Schmidt, the appellant, by attorney Andreas Mamalakis, of the Law Offices of Andreas Mamalakis in Kenosha; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$4,453
IMPR.: \$18,222
TOTAL: \$22,675

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of frame exterior construction with 1,055 square feet of living area. The dwelling is approximately 67 years old. Features include a partial foundation and a 2-car garage. The property has an 8,098 square foot site and is located in Rolling Meadows, Palatine Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on three equity comparables located within the subject's assessment neighborhood and from 0.22 to 0.46 of a mile from the subject property. The comparables are improved with 1-story, class 2-03 dwellings of frame exterior construction ranging in size from 1,273 to 1,315 square feet of living area. The homes range in age from 62 to 69 years old. The comparables each have either a

crawl space or a slab foundation. Two comparables each have central air conditioning. Two comparables each have one fireplace. Each comparable has a 1-car or a 2-car garage. The comparables have improvement assessments ranging from \$16,394 to \$18,029 from \$12.88 to \$13.72 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$22,675. The subject property has an improvement assessment of \$18,222 or \$17.27 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located within the subject's assessment neighborhood and on the same tax block as the subject property. Three of these comparables are located along the same street as the subject. The comparables are improved with 1-story, class 2-03 dwellings of frame exterior construction with either 1,041 or 1,055 square feet of living area. The homes are each 66 years old. Three comparables each have a partial basement and one comparable has a crawl space foundation. Two comparables each have central air conditioning. One comparable has one fireplace. Each comparable has from a 1.5-car to a 2.5-car garage. The comparables have improvement assessments ranging from \$18,405 to \$24,448 or from \$17.45 to \$23.49 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains seven suggested equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables as well as board of review comparables #2 and #3 which are less similar to the subject in dwelling size than other comparables in this record; lack a basement foundation, which the subject features; and/or feature central air conditioning, which the subject lacks.

The board finds the best evidence of assessment equity to be board of review comparables #1 and #4 which are identical or nearly identical to the subject in design/class, age, dwelling size, and other features. The two best comparables have improvement assessments of \$18,604 and \$20,510 or \$17.63 and \$19.44 per square foot of living area. The subject's improvement assessment of \$18,222 or \$17.27 per square foot of living area falls below the two best comparables in this record. After considering adjustments to the two best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
