

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Valerie & Richard Persenaire  
DOCKET NO.: 23-32383.001-R-1  
PARCEL NO.: 32-25-107-019-0000

The parties of record before the Property Tax Appeal Board are Valerie & Richard Persenaire, the appellants, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$2,548  
**IMPR.:** \$4,866  
**TOTAL:** \$7,414

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 1-story dwelling of frame exterior construction with 940 square feet of living area. The dwelling is approximately 63 years old. Features of the home include a basement and a fireplace. The property has an approximately 7,280 square foot site and is located in Sauk Village, Bloom Township, Cook County. The subject is classified as a class 2-02 property under the Cook County Real Property Assessment Classification Ordinance.

The appellants contend overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located in the same assessment neighborhood code as the subject property. The comparables have sites that are 6,600 or 6,900 square feet of land area and are improved with class 2-02 dwellings of frame and masonry or frame exterior construction ranging in size from 913 to 968 square feet of living area. The homes range in age from 52 to 65 years old. Each comparable has a fireplace and a 1-car or a 2-

car garage. The properties sold from January 2021 to August 2023 for prices ranging from \$50,000 to \$60,000 or from \$54.35 to \$65.72 per square foot of living area, land included. Based on this evidence, the appellants requested the subject's total assessment be reduced to \$5,759 which reflects a market value of \$57,590 or \$61.27 per square foot of living area, land included, when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10.00%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$7,414. The subject's assessment reflects a market value of \$74,140 or \$78.87 per square foot of living area, land included, when applying the level of assessment for class 2 property of 10.00% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located in the same assessment neighborhood code as the subject property. The comparables have sites that range in size from 6,180 to 7,800 square feet of land area and are improved with 1-story class 2-02 dwellings of frame or masonry exterior construction ranging in size from 951 to 989 square feet of living area. The comparables are 64 or 65 years old. Each comparable has a 1-car or a 2-car garage. One comparable has a basement, one comparable has a crawl space foundation and two comparables have a concrete slab foundation. Two comparables have central air conditioning. The comparables sold from August 2021 to October 2023 for prices ranging from \$60,000 to \$160,000 or from \$61.66 to \$162.37 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

### **Conclusion of Law**

The appellants contend the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal, the value of the property must be proven by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellants did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight comparables for the Board's consideration. The Board gives less weight to the appellants' comparable #3 which sold in 2021, respectively and the board of review's comparable #2 which sold in 2021, less proximate to the January 1, 2023 assessment date than other properties in the record.

The Board finds the best evidence of market value to be the appellants' comparables #1, #2 and #4 and the board of review's comparables #1, #3 and #4 which are similar to the subject in location, age, design, dwelling size and other features. However, the properties differ from the subject in foundation type, garage amenity and/or central air conditioning, suggesting adjustments are needed to account for these differences from the subject. These comparables sold from February 2022 to October 2023 for prices ranging from \$50,000 to \$160,000 or from \$54.35 to \$162.37 per square foot of living area, land included. The subject's market value of \$74,140 or \$78.87 per square foot of living area, land included falls within the range established

by the best comparables in this record. After considering appropriate adjustments to the best comparables for differences from the subject, the Board finds the subject's assessment is not justified and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
