

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Crystal Starks-Montgomery  
DOCKET NO.: 23-32627.001-R-1  
PARCEL NO.: 29-01-300-031-0000

The parties of record before the Property Tax Appeal Board are Crystal Starks-Montgomery, the appellant(s), by attorney Anthony Lewis, of the Law Offices of Gary H. Smith in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$2,317  
**IMPR.:** \$14,183  
**TOTAL:** \$16,500

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of an approximately 50-year-old two-story dwelling of masonry construction with 4,698 square feet of living area. Features of the home include a full basement and four bathrooms. The property has a 5,150 square foot site and is located in Calumet City, Thornton Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant asserts overvaluation in this appeal. In support of the overvaluation argument, the appellant submitted evidence disclosing that the subject property was sold on March 29, 2022, for a price of \$165,000. The evidence included the master statement and from the transaction. The appellant is requesting a total assessment of \$16,500.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject as \$19,580. The subject's assessment reflects a market value of \$195,800, land included, when using the Cook County Real Estate Classification Ordinance level of assessment for class 2 property of 10%. The subject has an improvement assessment of \$19,580 or \$3.67 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information about four suggested equity comparables. The comparables are located either on the same block as the subject property or within the same "subarea". These properties are 44- to 52-year-old two-story residences with masonry construction. These properties have between 2,756 and 4,698 square feet of living area and have improvement assessments between \$4.41 and \$5.80 per square foot. Comparables #1 and #2 also had recent sales in May 2022 and July 2022, as both properties sold for \$260,000 or \$295,574 and have sales prices per square foot of either \$62.70 or \$94.34 per square foot. The board of review is requesting that the current assessment be confirmed.

### **Conclusion of Law**

When market value is a basis of the appeal, the taxpayer must prove the value of the property by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e); Winnebago County Bd. of Review v. Property Tax Appeal Bd., 313 Ill. App. 3d 1038, 1043 (2d Dist. 2000). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment on this basis is warranted.

The appellant presented evidence that the subject property was sold on March 29, 2022, for a price of \$165,000. The appellant filled out Section IV - Recent Sale Data of the PTAB residential appeal form and disclosed that the parties to the transaction were not related, the property was sold by owner, but the appellant stated the properties was advertised for sale for 12 months via for sale signs, online ads, and word of mouth. The appellant also disclosed that the sale was not due to a foreclosure action. The appellant submitted a copy of the settlement statement. This evidence indicates that this sale was an arm's-length transaction. The board of review's evidence was insufficient to overcome the best evidence of the recent sale of the property, as the board of review did not provide evidence to rebut the appellant's supported assertion that the sale was an arm's length transaction.

The Board's task in this case is to determine the correct assessment of the subject property. *See* 35 ILCS 200/16-180. Under Illinois law, real property must be valued at its fair cash value, meaning the price that would be paid for it at a fair, voluntary sale where the buyer and seller are both ready, willing, and able to buy and sell, but neither is compelled to do so. Bd of Educ of Meridian Community School Dist. No. 223 v. Ill. Property Tax Appeal Bd., 2011 IL App (2d) 100068, ¶ 36. A contemporaneous sale of the subject property between parties dealing at arms-length is practically conclusive on the issue of whether an assessment reflected the fair cash market value of the property. Gateway-Walden LLC v. Pappas, 2018 IL App (1<sup>st</sup>) 162714, ¶ 33.

The Board finds that the best evidence of the subject's market value is the March 29, 2022, sale of the subject for \$165,000. Because the subject's assessment reflects a fair market value of

Docket No: 23-32627.001-R-1

\$195,800, which is greater than the \$165,000 sale price, a reduction in the subject's assessment commensurate with that sale price is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
