

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Calle Bien Properties, LLC
DOCKET NO.: 23-32718.001-R-1
PARCEL NO.: 17-20-313-028-0000

The parties of record before the Property Tax Appeal Board are Calle Bien Properties, LLC, the appellant(s), by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$8,928
IMPR.: \$44,191
TOTAL: \$53,119

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a three-story dwelling of masonry construction, approximately 141 years-old, with 3,524 square feet of living area on a 2,976 square foot site in West Chicago Township, Chicago, Cook County. The subject is classified as 2-11 under the Cook County Real Property Assessment Classification Ordinance. Features of the home include six full bathrooms and a full basement.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables with varying degrees of similarity to the subject property. The properties offered by the appellant as comparables are class 2-11 structures, at least two stories, of masonry construction, ranging in age from 134 to 145 years-old and ranging in size from 3,534 to 3,630 square feet of living area. All have three full bathrooms and full basements. Two of the comparables are located 5.4 miles from the

subject property; one is 5.1 miles and one is 59 feet from the subject. Based on this evidence, the appellant is requesting an assessment amount of \$49,524.

The board of review submitted its “Board of Review Notes on Appeal” stating the total assessment for the subject property as \$53,119 including an improvement assessment of \$44,191 or \$12.54 per square foot.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables. The comparables are three-story masonry structures ranging in size from 3,150 to 3,528 square feet of living area and ranging in age from 141 to 143 years-old. Two of the comparables have six full bathrooms and two have three full bathrooms. All have full basements. The board of review reports that two of its comparables are on the same block as the subject property and two are within a quarter-mile.

Conclusion of Law

The taxpayer asserts assessment inequity as the basis of the appeal. The Illinois Constitution requires that real estate taxes, “be levied uniformly by valuation ascertained as the General Assembly shall provide by law.” Ill. Const. art. IX, §4 (1970); Walsh v. Property Tax Appeal Board, 181 Ill. 2d 228, 234 (1998). This uniformity provision of the Illinois Constitution does not require absolute equality in taxation, however, and it is sufficient if the taxing authority achieves a reasonable degree of uniformity. Peacock v. Property Tax Appeal Board, 339 Ill. App. 3d 1060, 1070 (4th Dist. 2003).

When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by the appellant by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e); Walsh, 181 Ill. 2d at 234 (1998). Clear and convincing evidence means more than a preponderance of the evidence, but it does not need to approach the degree of proof needed for a conviction of a crime. Bazyldo v. Volant, 164 Ill. 2d 207, 213 (1995). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity, and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant **did not** meet this burden of proof and a reduction in the subject's assessment **is not** warranted.

The Board finds the best evidence of assessment equity to be the appellant's comparable #1 and the board of review's comparables #1, #3 and #4. These properties are similar to the subject in terms of living area, age, construction and proximity. In contrast, appellant's comparables #2, #3 and #4 are each at least five miles distant from the subject property. The board of review's comparable #2 lacks a basement. The Board finds that these comparables are afforded less weight based on these factors. The best evidence comparables have improved assessed values ranging from \$11.40 to \$14.46 per square foot. The subject property's improvement assessment of \$12.54 per square foot is within the range established by the best comparables in the record. Based on this record the Board finds the appellant **did not** demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment *is not* justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
