

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: 617 N Racine LLC
DOCKET NO.: 23-33223.001-R-1
PARCEL NO.: 17-08-228-005-0000

The parties of record before the Property Tax Appeal Board are 617 N Racine LLC, the appellant(s), by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$17,550
IMPR.: \$61,710
TOTAL: \$79,260

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a three-story dwelling of masonry construction, approximately 143 years-old, with 3,630 square feet of living area on a 2,925 square foot site in West Chicago Township, Chicago, Cook County. The subject is classified as 2-11 under the Cook County Real Property Assessment Classification Ordinance. Features of the home include three full bathrooms and a crawl space.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables with varying degrees of similarity to the subject property. The properties offered by the appellant as comparables are class 2-11, three unit apartment buildings of masonry construction ranging in age from 109 to 137 years-old and ranging in size from 3,609 to 4,032 square feet of living area. All have three full bathrooms and full basements. Three of the comparables are located 0.4 miles from the

subject property and one is 0.2 miles from the subject. Based on this evidence, the appellant is requesting an assessment amount of \$73,924.

The board of review submitted its “Board of Review Notes on Appeal” stating the total assessment for the subject property as \$79,260 including an improvement assessment of \$61,710 or \$17.00 per square foot.

In support of its contention of the correct assessment, the board of review submitted information on three equity comparables. The comparables are three-story masonry structures ranging in size from 3,564 to 4,023 square feet of living area and ranging in age from 133 to 143 years-old. The comparables all have three full bathrooms. Three have full basements and one has a crawl space. One of the comparables has a 2-car garage. The board of review reports that one of its comparables is on the same block as the subject property; two are a quarter-mile away and one is in the same subarea.

Conclusion of Law

The taxpayer asserts assessment inequity as the basis of the appeal. The Illinois Constitution requires that real estate taxes, “be levied uniformly by valuation ascertained as the General Assembly shall provide by law.” Ill. Const. art. IX, §4 (1970); Walsh v. Property Tax Appeal Board, 181 Ill. 2d 228, 234 (1998). This uniformity provision of the Illinois Constitution does not require absolute equality in taxation, however, and it is sufficient if the taxing authority achieves a reasonable degree of uniformity. Peacock v. Property Tax Appeal Board, 339 Ill. App. 3d 1060, 1070 (4th Dist. 2003).

When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by the appellant by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e); Walsh, 181 Ill. 2d at 234 (1998). Clear and convincing evidence means more than a preponderance of the evidence, but it does not need to approach the degree of proof needed for a conviction of a crime. Bazyldo v. Volant, 164 Ill. 2d 207, 213 (1995). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity, and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant **did not** meet this burden of proof and a reduction in the subject's assessment **is not** warranted.

The Board finds the best evidence of assessment equity to be the appellant's comparable #2, #3 and #4 and the board of review's comparable #2. These properties are similar to the subject in terms of living area, age, construction and proximity. In contrast, the appellant's comparables #1 is 402 square feet larger than the subject property in living area, the board of review's comparables # 1, #3 and #4 have full basements with comparable #1 also having a two-car garage. The Board finds that these comparables are afforded less weight based on these factors. The best evidence comparables have improved assessed values ranging from \$15.31 to \$17.00 per square foot. The subject property's improvement assessment of \$17.00 per square foot is within the range established by the best comparables in the record. Based on this record the Board finds the appellant **did not** demonstrate with clear and convincing evidence that the

subject's improvement was inequitably assessed and a reduction in the subject's assessment *is not* justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
