

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Luis Martinez
DOCKET NO.: 23-33268.001-R-1
PARCEL NO.: 14-20-116-030-0000

The parties of record before the Property Tax Appeal Board are Luis Martinez, the appellant, by attorney Dora Cornelio, of Schmidt Salzman & Moran, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$55,800
IMPR.: \$64,616
TOTAL: \$120,416

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of masonry exterior construction with 3,194 square feet of living area. The dwelling is approximately 123 years old. Features of the home include a full basement with finished area, two fireplaces and a 2-car garage. The property has a 3,720 square foot site and is located in Chicago, Lake View Township, Cook County. The subject is classified as a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on five equity comparables with the same assessment neighborhood code as the subject. The appellant did not disclose their proximity to the subject. The comparables are class 2-06 properties improved with 2-story or 3-story dwellings of frame or masonry exterior construction ranging in size from 3,080 to 3,394 square

feet of living area. The dwellings are 114 to 135 years old and have full basements with finished area. Three comparables have central air conditioning. Three comparables each have one or two fireplaces. Four comparables each have a 1-car or a 2-car garage. The comparables have improvement assessments ranging from \$61,125 to \$70,025 or from \$19.85 to \$20.63 per square foot of living area. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$148,500. The subject property has an improvement assessment of \$92,700 or \$29.02 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables with the same assessment neighborhood code as the subject, two of which are located on the same block or within a ¼ of mile from the subject. The comparables are class 2-06 properties improved with 2-story dwellings of masonry exterior construction ranging in size from 2,642 to 3,540 square feet of living area. The dwellings are 110 to 128 years old and have full basements, one of which has finished area. Two comparables have central air conditioning. Three comparables each have one fireplace. Three comparables each have a 2-car or a 3-car garage. The comparables have improvement assessments ranging from \$77,622 to \$116,020 or from \$29.38 to \$33.09 per square foot of living area. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The record contains nine comparables for the Board's consideration. The Board gives less weight to appellant's comparable #2 which lacks a garage when compared to the subject. The Board gives less weight to board of review comparable #1 which has a significantly smaller dwelling size when compared to the subject. The Board gives less weight to board of review comparables #2, #3 and #4 which have unfinished basements when compared to the subject's finished basement.

The Board finds the best evidence of assessment equity to be appellant's comparable #1, #3, #4 and #5 which overall are more similar to the subject in dwelling size, age and features. These comparables have improvement assessments ranging from \$61,125 to \$70,625 or from \$19.85 to \$20.63 per square foot of living area. The subject's improvement assessment of \$92,700 or \$29.02 per square foot of living area falls above the range established by the best comparables in this record. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant demonstrated with clear

and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment commensurate with the appellant's request is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
