

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: S.V.T.G. LLC - 14520 South Emerald Avenu
DOCKET NO.: 23-33506.001-R-1
PARCEL NO.: 29-05-413-035-0000

The parties of record before the Property Tax Appeal Board are S.V.T.G. LLC - 14520 South Emerald Avenu, the appellant(s), by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$1,683
IMPR.: \$8,630
TOTAL: \$10,313

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of an approximately 68-year-old one-story dwelling of masonry construction with 1,041 square feet of living area. Features of the home include a full basement, central air conditioning, and a one-car garage. The property has a 3,960 square foot site and is located in Riverdale, Thornton Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant asserts overvaluation in this appeal. In support of the overvaluation argument, the appellant submitted evidence disclosing that the subject property was sold on September 11, 2020, for a price of \$18,000. The evidence included the master statement from the transaction. The appellant is requesting a total assessment of \$1,800.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject as \$10,313 or \$17.29 per square foot. The subject's assessment reflects a market value of \$103,130, land included, when using the Cook County Real Estate Classification Ordinance level of assessment for class 2 property of 10%. The subject has an improvement assessment of \$8,630 or \$14.07 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information about four suggested comparable sales. The comparables are located 0.25 miles away from the subject property. These properties are 69- to 73-year-old one-story residences with masonry construction. These properties sold between May 2022 and August 2023 for sale prices between \$157,000 and \$230,000. The properties have sale prices per square foot between \$146.36 and \$213.29. The board of review is requesting that the current assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value in the record to be the four comparable sales submitted by the board of review. These comparables were similar to the subject in location, style, construction, features, age and land area. These properties also sold proximate in time to the assessment date at issue. The comparables sold for prices ranging from \$146.46 to \$213.29 per square foot of living area, including land. The subject's assessment reflects a market value of \$17.29 per square foot of living area, including land, which is below the range established by the best comparable sales in this record. The Board gave little weight to the subject's sale due to the fact the sale occurred in September 2020, which is within three years, but on the edge of that period, and the sale was a compulsory foreclosure sale and therefore lacks the requirements of an arms' length transaction. Based on this record the Board finds the subject's assessment is reflective of market value and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
