

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kamala Krakover  
DOCKET NO.: 23-33761.001-R-1  
PARCEL NO.: 16-01-421-016-0000

The parties of record before the Property Tax Appeal Board are Kamala Krakover, the appellant(s), by attorney Dora Cornelio, of Schmidt Salzman & Moran, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$17,716  
**IMPR.:** \$36,284  
**TOTAL:** \$54,000

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of an approximately 123-year-old two-story dwelling of masonry construction with 2,588 square feet of living area. Features of the home include a full basement and a 2.5-car garage. The property has a 3,937 square foot site and is located in Chicago, West Chicago Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant asserts overvaluation in this appeal. In support of the overvaluation argument, the appellant submitted evidence disclosing that the subject property was sold on April 22, 2022, for a price of \$540,000, or \$208.66 per square foot of living area. The evidence included the master statement and deed from the transaction.

The appellant also contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on five equity comparables. The appellant did not state the distance of the comparables to the subject but indicated they are located in the same general neighborhood. The comparables are 105- to 133-year-old two-story class 2-11 residences with frame or masonry construction. The comparables have between 2,340 and 2,790 square feet of living area and have improvement assessments between \$7.03 and \$10.01 per square foot of living area. The appellant is requesting a total assessment of \$40,050.

The county board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$57,999. The subject property has an improvement assessment of \$40,283 or \$15.57 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables with comparable sale information. These comparables are located 0.25 miles away from the subject property. The comparables are 114- to 123-year-old two-story residences with masonry construction. The comparables have between 2,196 and 2,724 square feet of living area and have improvement assessments between \$15.76 and \$18.81 per square foot. The comparables sold between August 2021 and April 2023 for sale prices between \$674,900 and \$812,000 and have sale prices per square foot between \$295.01 and \$310.36. The board of review is requesting that the current assessment be confirmed.

### **Conclusion of Law**

When market value is a basis of the appeal, the taxpayer must prove the value of the property by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e); Winnebago County Bd. of Review v. Property Tax Appeal Bd., 313 Ill. App. 3d 1038, 1043 (2d Dist. 2000). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment on this basis is warranted.

The appellant presented evidence that the subject property was sold on April 22, 2022, for a price of \$540,000. The appellant filled out Section IV - Recent Sale Data of the PTAB residential appeal form and disclosed that the parties to the transaction were not related, the property was sold by a realtor who works for Exp Realty LLC. The appellant stated that the property was advertised for sale on the multiple listing service. The appellant also disclosed that the sale was not due to a foreclosure action. The appellant submitted a copy of the settlement statement. This evidence indicates that this sale was an arm's-length transaction. The board of review's evidence was insufficient to overcome the best evidence of the recent sale of the property, as the board of review did not provide evidence to rebut the appellant's supported assertion that the sale was an arm's length transaction.

The Board's task in this case is to determine the correct assessment of the subject property. *See* 35 ILCS 200/16-180. Under Illinois law, real property must be valued at its fair cash value, meaning the price that would be paid for it at a fair, voluntary sale where the buyer and seller are both ready, willing, and able to buy and sell, but neither is compelled to do so. Bd of Educ of Meridian Community School Dist. No. 223 v. Ill. Property Tax Appeal Bd., 2011 IL App (2d) 100068, ¶ 36. A contemporaneous sale of the subject property between parties dealing at arms-

length is practically conclusive on the issue of whether an assessment reflected the fair cash market value of the property. Gateway-Walden LLC v. Pappas, 2018 IL App (1<sup>st</sup>) 162714, ¶ 33.

The Board finds that the best evidence of the subject's market value is the April 22, 2022, sale of the subject for \$540,000. Because the subject's assessment reflects a fair market value greater than that amount, the \$540,000 sale price, a reduction in the subject's assessment commensurate with that sale price is warranted. Since market value has been determined, the Board finds that the subject is now fairly and equitably assessed. See Central Nursing Realty, LLC v. Illinois Property Tax Appeal Board, 2020 IL App (1st) 180994, ¶¶ 34-36.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
