

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Quality Homes 170 Lansing, LLC
DOCKET NO.: 23-34157.001-R-1
PARCEL NO.: 28-26-100-041-0000

The parties of record before the Property Tax Appeal Board are Quality Homes 170 Lansing, LLC, the appellant(s), by attorney George J. Relias, of Relias Law Group, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$2,145
IMPR.: \$9,507
TOTAL: \$11,652

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a split-level single-family dwelling with 1,026 square feet of living area of frame and masonry construction. The dwelling was 63 years old. Features of the home include a basement, central air conditioning, and a two-car garage. The property has a 6,600 square foot site and is located in Country Club Hills, Bremen Township, Cook County. The subject is classified as a class 2-34 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales which took place from June 2020 to September 2023 for sales prices from \$109,000 to \$136,500 or from \$106.24 to \$126.39 per square foot of living area, land included in the sales prices. These properties had improvements that were located within a 0.8-mile radius of the subject, were from 48 to 63 years old, and had

from 1,026 to 1,140 square feet of living area. Appellant disclosed that this is not an owner-occupied residence. Based on this evidence the appellant is seeking a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$15,647. The subject's assessment reflects a market value of \$156,470 or \$152.50 per square foot of living area, including land, when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment the board of review submitted information on three equity comparable properties with varying degrees of similarities to the subject which are located within a ¼-mile radius of the subject. The improvements ranged: in age from 56 to 62 years; in size from 1,072 to 1,080 square feet of living area; and in improvement assessment from \$13.55 to \$16.00 per square foot of living area. The board of review did not submit any comparable sales properties in support of the contention of proper assessment. Based on this evidence the board of review requested conformation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be appellant's comparable sales #1 through #5. The board of review did not submit any comparable sales properties in support of the contention of proper assessment. Appellant's comparables sold for prices ranging from \$106.24 to \$126.39 per square foot of living area, including land. The subject's assessment reflects a market value of \$152.50 per square foot of living area, including land, which is above the range established by the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
