

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Janki Patel
DOCKET NO.: 23-34842.001-R-1
PARCEL NO.: 14-30-225-049-1003

The parties of record before the Property Tax Appeal Board are Janki Patel, the appellant(s), by attorney Michael R. O'Malley, of Schmidt Salzman & Moran, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$12,628
IMPR.: \$23,622
TOTAL: \$36,250

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a condominium dwelling of masonry construction. The dwelling was constructed in 2008. Features of the home include three bedrooms and a detached garage. The property has a 6,217 square foot site and is located in Chicago, Lakeview Township, Cook County. The subject is classified as a class 2-99 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales. The comparables are located within 0.7 miles of the subject. The comparables are 16- to 25-year-old class 2-99 residences with frame construction. The comparables were sold between February 2022 and March 2023 for sale prices between \$360,000 and \$399,000. The comparables have sale prices per square foot between \$290.00 and \$342.86. The appellant is requesting a total assessment of \$36,250.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$63,999. The subject's assessment reflects a market value of \$639,990. In support of its contention of the correct assessment the board of review did not submit any evidence. Despite not submitting any evidence, the board of review is requesting that the assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did meet this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the comparables submitted by the appellant since the board of review did not submit any evidence. The assessment of the subject is much higher than comparable submitted properties. Based on this evidence the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
