

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Alexander Mokhur
DOCKET NO.: 23-35429.001-R-1
PARCEL NO.: 08-14-307-015-0000

The parties of record before the Property Tax Appeal Board are Alexander Mokhur, the appellant; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 7,686
IMPR.: \$20,431
TOTAL: \$28,117

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 59-year-old, one-story dwelling with 1,144 square feet of living area of masonry construction. Features of the home include a full basement, central air conditioning, and a 2.5-car garage. The property has a 7,320 square foot site and is located in Elk Grove Township, Cook County. The subject is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three suggested comparable sales. Those comparables could be described as one-story, single-family dwellings of frame and masonry construction that range: in age from 60 to 65-years-old; in size from 1,225 to 1,357 square feet of living area; in sale date from December, 2022 to June, 2023; and in sale price from \$161.39 to \$202.91 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$28,117. The subject's assessment reflects a market value of \$281,170 or \$245.78 per square foot of living area, including land, when applying the 2023 level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment the board of review submitted information on four suggested equity comparables with sales data on each of those properties. Those properties could be described as one-story, single-family dwellings of frame, masonry, or frame and masonry construction that range: in age from 57 to 59-years-old; in size from 1,118 to 1,248 square feet of living area; in sale date from June, 2021 to April, 2023; and in sale price from \$261.36 to \$305.90 per square foot of living area.

In written rebuttal, the appellant distinguished some of the board of review's comparables from the subject based on sale date, number of stories, and garage. The appellant also argued that the board of review's evidence contains some inaccuracies.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be appellant's comparable sales #1, #2, and #3, and the board of review's comparable sales #1, #3, and #4. These comparables sold for prices ranging from \$161.39 to \$305.90 per square foot of living area, including land. The subject's assessment reflects a market value of \$245.78 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
