

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Assure Properties LLC
DOCKET NO.: 23-35474.001-R-1
PARCEL NO.: 28-26-203-009-0000

The parties of record before the Property Tax Appeal Board are Assure Properties LLC, the appellant, by attorney Brian P. Liston, of the Law Offices of Liston & Tsantilis, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$2,340
IMPR.: \$13,660
TOTAL: \$16,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of frame exterior construction with 1,392 square feet of living area. The dwelling is approximately 58 years old and includes a basement with finished area.¹ The property has an approximately 7,200 square foot site and is located in Hazel Crest, Bremen Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on three equity comparables located in the same assessment neighborhood code as the subject property. The comparables are improved with 1-story class 2-03 dwellings of masonry or frame and masonry

¹ The Board finds the best description of the subject was found in the grid analysis submitted by the board of review, which was not refuted by the appellant.

exterior construction ranging in size from 1,598 to 1,670 square feet of living area. The homes are 61 or 62 years old. Each comparable has a crawl space foundation and a 1-car or a 2-car garage. Two homes have central air conditioning and one dwelling has a fireplace. The comparables have improvement assessments of \$12,660 or from \$7.58 to \$7.92 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$10,635 or \$7.64 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$16,000. The subject property has an improvement assessment of \$13,660 or \$9.81 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables located in the same assessment neighborhood code as the subject property. The comparables are improved with 1-story class 2-03 dwellings of frame exterior construction ranging in size from 1,056 to 1,150 square feet of living area that are 57 or 58 years old. Each comparable has a basement with finished area and a 1-car or a 1.5-car garage. One home has central air conditioning. The comparables have improvement assessments ranging from \$12,157 to \$13,660 or from \$11.05 to \$11.88 per square foot of living area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted seven equity comparables for the Board's consideration. The Board finds both parties' comparables differ in dwelling size and garage amenity when compared to the subject. Nevertheless, the Board gives less weight to the appellant's comparables which have a crawl space foundation in contrast to the subject's finished basement feature. The Board finds the best evidence of assessment equity to be the board of review's comparables which are more similar to the subject in location, age, design and foundation type. However, each of these best comparables has a smaller dwelling size and a garage amenity when compared to the subject, suggesting adjustments are needed to make these properties more equitable to the subject. These comparables have improvement assessments ranging from \$12,157 to \$13,660 or from \$11.05 to \$11.88 per square foot of living area. The subject's improvement assessment of \$13,660 or \$9.81 per square foot of living area falls at the upper end of the range established by the best comparables in this record on an overall improvement assessment basis and below the range on a per square foot basis. After considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
