

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Yellow Brick House Properties, LLC
DOCKET NO.: 23-35601.001-R-1
PARCEL NO.: 28-21-119-015-0000

The parties of record before the Property Tax Appeal Board are Yellow Brick House Properties, LLC, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$2,711
IMPR.: \$15,358
TOTAL: \$18,069

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a multi-level dwelling of masonry exterior construction with 1,216 square feet of living area. The dwelling is approximately 64 years old. Features include a partial basement and a 2-car garage. The property has 6,025 square foot site and is located in Oak Forest, Bremen Township, Cook County. The subject is classified as a class 2-34 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables located within the subject's assessment neighborhood. The comparables are improved with class 2-34, multi-level dwellings of frame and masonry exterior construction ranging in size from 1,192 to 1,216 square feet of living area. The homes range in age from 60 to 64 years old. Each comparable has a partial basement with undisclosed basement finish, if

any. Three comparables each have a 2-car garage. The comparables have improvement assessments ranging from \$14,733 to \$15,714 or from \$12.12 to \$13.04 per square foot of living area. Based on this evidence, the appellant requested that the subject's improvement assessment be reduced to \$15,358.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$18,999. The subject property has an improvement assessment of \$16,288 or \$13.39 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four comparables located within the subject's assessment neighborhood. The comparables are improved with class 2-34, multi-level dwellings of masonry or frame and masonry exterior construction ranging in size from 1,131 to 1,252 square feet of living area. The homes range in age from 42 to 65 years old. Each comparable has a partial basement with finished area. Two comparables each have central air conditioning. Two comparables each have a 2-car or a 2.5-car garage. The comparables have improvement assessments ranging from \$15,700 to \$27,000 or from \$13.88 to \$23.30 per square foot of living area. The board of review asserts the assessed values per square foot for the submitted comparables support the subject's assessed value as equitable.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The parties submitted eight suggested equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparable #2, as well as the board of review comparables #1, #2, and #4, which differ when compared to the subject in age, central air conditioning, and/or garage amenity.

The Board finds the best evidence of assessment equity to be the parties' remaining comparables which are overall more similar, if not identical, to the subject in location, design/class, age, dwelling size, and other features. The best comparables have improvement assessments ranging from \$14,733 to \$15,714 or from \$12.12 to \$13.88 square foot of living area. The Board gives greater weight to the appellant's comparable #3 which is a slightly newer home, but identical to the subject in other property characteristics, and has an improvement assessment of \$15,714 or \$12.92 per square foot of living area. The subject's improvement assessment of \$17,888 or \$14.59 per square foot of living area falls above the range established by the best comparables in this record, as well as the comparable given greater weight, and appears to be excessive. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant demonstrated with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment, commensurate with the appellant's request, is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
