

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Joseph E. Henninger Rev. Trust  
DOCKET NO.: 23-36071.001-R-1  
PARCEL NO.: 28-30-105-056-0000

The parties of record before the Property Tax Appeal Board are Joseph E. Henninger Rev. Trust, the appellant, by attorney Mary Kate Gorman, Attorney at Law in Tinley Park; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$2,088  
**IMPR.:** \$28,911  
**TOTAL:** \$30,999

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 1.5-story dwelling of frame and masonry exterior construction with 1,619 square feet of living area. The dwelling is approximately 26 years old. Features of the home include a basement, central air conditioning, one fireplace and a 2-car garage. The property has an approximately 4,642 square foot site and is located in Tinley Park, Bremen Township, Cook County. The subject is classified as a class 2-95 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables located in the same assessment neighborhood code as the subject property. The comparables are improved with 1.5-story or 2-story class 2-95 dwellings of frame and masonry exterior construction with 1,619 or 1,684 square feet of living area and are 22 to 26 years old.

Each comparable has a basement, central air conditioning, one fireplace and a 2-car garage. The comparables have improvement assessments ranging from \$25,830 to \$27,303 or from \$15.34 to \$16.86 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$25,920 or \$16.01 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$30,999. The subject property has an improvement assessment of \$28,911 or \$17.86 per square foot of living area. In support of its contention of the correct assessment the board of review submitted four grid analyses with information on 12 equity comparables located in the same assessment neighborhood code as the subject property.<sup>1</sup> The comparables are improved with 1-story or 1.5-story class 2-95 dwellings of masonry or frame and masonry exterior construction ranging in size from 1,335 to 1,619 square feet of living area. The homes range in age from 22 to 32 years old. Each comparable has a basement, central air conditioning and a 2-car garage. Eleven homes each have one fireplace. The comparables have improvement assessments ranging from \$25,366 to \$29,527 or from \$18.24 to \$19.58 per square foot of living area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

### **Conclusion of Law**

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted 16 equity comparables for the Board's consideration, as four properties were reported twice. The Board gives less weight to appellant comparables #1 and #2 along with board of review comparables #3 through #12 which are less similar to the subject in dwelling size than other properties in the record. The Board finds the best evidence of assessment equity to be appellant comparables #3 and #4 and board of review comparables #1 and #2 which are identical or nearly identical to the subject in location, age, design, dwelling size and features. These comparables have improvement assessments ranging from \$27,110 to \$29,527 or from \$16.74 to \$18.24 per square foot of living area. The subject's improvement assessment of \$28,911 or \$17.86 per square foot of living area falls within the range established by the best comparables in this record. After considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

---

<sup>1</sup> Four of the comparables submitted by the board of review were submitted twice. The Board has renumbered the board of review's comparables on pages 2 through 4, # 5 through #12, for ease in reference.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
