

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: David Cottrell
DOCKET NO.: 23-36989.001-R-1
PARCEL NO.: 12-02-110-018-0000

The parties of record before the Property Tax Appeal Board are David Cottrell, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$8,824
IMPR.: \$35,910
TOTAL: \$44,734

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a multi-level dwelling of masonry exterior construction with 1,596 square feet of living area. The dwelling is approximately 66 years old. Features of the home includes a partial basement with finished area,¹ 2 full bathrooms, central air conditioning, a fireplace and a 2-car garage. The property has 6,788 square foot site and is located in Park Ridge, Leyden Township, Cook County. The subject is classified as a class 2-34 under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four comparables located within the subject's assessment neighborhood and within .5 of a mile from the subject

¹ The board of review disclosed the subject's basement is finished with formal recreation room, which was unrefuted by the appellant.

property. The comparables are improved with class 2-34, multi-level dwellings of masonry exterior construction ranging in size from 1,423 to 1,599 square feet of living area. The dwellings are 61 to 69 years old. The comparables have partial basements with "N/A" disclosed for the finished basement area. Each comparable has 1 or 2 full bathrooms, central air conditioning and a 2-car garage. Three comparables have 1 or 2 half bathrooms, and three comparables each have a fireplace. The comparables have improvement assessments ranging from \$28,525 to \$34,521 or from \$19.77 to \$21.67 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$32,973 or \$20.66 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's total assessment of \$44,734. The subject property has an improvement assessment of \$35,910 or \$22.50 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on four comparables located within the subject's assessment neighborhood and within the subject's block or approximately ¼ of a mile from the subject property. The comparables are improved with class 2-34, multi-level dwellings of masonry exterior construction ranging in size from 1,497 to 1,565 square feet of living area. The dwellings are 61 or 63 years old. Each comparable has a partial basement with finished area, 1 or 2 full bathrooms, a fireplace and either a 1-car or a 2-car garage. Three comparables have 1 half bathroom, and three comparables each have central air conditioning. The comparables have improvement assessments ranging from \$34,367 to \$35,810 or from \$22.82 to \$25.09 per square foot of living area. Based on this evidence, the board of review requested that the subject's assessment be confirmed.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight suggested comparables for the Board's consideration. The Board gives less weight to the board of review comparable #3 that lacks central air conditioning, which is a feature of the subject dwelling.

The Board finds the best evidence of assessment equity to be the appellant's comparables and the board of review's comparables #1, #2 and #4 which are relatively similar to the subject in location, design, age, dwelling size and some features. These seven comparables have improvement assessments ranging from \$28,525 to \$37,704 or from \$19.77 to \$25.09 per square foot of living area. The subject's improvement assessment of \$35,910 or \$22.50 per square foot of living area falls within the range established by the best comparables in the record. After considering adjustments to the best comparables for differences when compared to the subject

property, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
