

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: David Ainley  
DOCKET NO.: 23-37652.001-R-1  
PARCEL NO.: 14-20-120-013-0000

The parties of record before the Property Tax Appeal Board are David Ainley, the appellant(s), by attorney Max E. Callahan, of Siegel & Callahan, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$46,500  
**IMPR.:** \$74,719  
**TOTAL:** \$121,219

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of an owner-occupied, 123-year-old, two-story single-family dwelling of masonry construction with 2,886 square feet of living area. Features of the dwelling include a full finished basement with a formal recreation room, a fireplace, central air conditioning and a two-car garage. The property has a 3,100 square foot site located in Chicago, Lake View Township, Cook County. The property is a Class 2-06 property under the Cook County Real Property Assessment Classification Ordinance. Appellant disclosed that the subject was owner-occupied.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$1,150,000 as of January 1, 2021. The appraisal was prepared by Gregory Nolde, a certified

general real estate appraiser, for ad valorem tax purposes. The appraisal is based upon an inspection of the subject property.

Furthermore, the subject property was the subject matter of an appeal before the Property Tax Appeal Board the prior year under Docket Number 2021-45342.001-R-1. In that appeal the Property Tax Appeal Board issued a decision lowering the total assessment of the subject property to \$121,219 on an agreement of the parties and the submitted evidence. The tax years 2021 and 2023 are within the same general assessment period and the appellant disclosed that the subject property is an owner-occupied residence.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$121,219. The subject's assessment reflects a market value of \$1,212,190 or \$420.02 per square foot of living area, including land, when using the Cook County Real Estate Classification Ordinance level of assessment for class 2 property of 10%.

In support of its contention of the correct assessment, the board of review submitted information on four comparable sales of class 2-06 properties with varying degrees of similarities to the subject. The sales occurred between 2022 and 2023. Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The Property Tax Appeal Board finds that the assessment as established by the Board for the 2021 tax year should be carried forward to the tax year at issue subject only to equalization as provided by section 16-185 of the Property Tax Code.

Section 16 185 of the Property Tax Code provides, in relevant part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

35 ILCS 200/16-185. Additionally, "Standard of proof. Unless otherwise provided by law or stated in the agency's rules, the standard of proof in any contested case hearing conducted under this Act by an agency shall be the preponderance of the evidence." 5 ILCS 100/10-15. The Board takes official notice that it rendered a decision lowering the subject's assessment for tax year 2021 (86 Ill.Admin.Code §1910.90(i)), and that tax year 2021 and the instant tax year of 2023 are in the same general assessment period for Lake View Township. The Board further finds that the subject is owner-occupied based on the appellant's response to Section 1b of the residential appeal form, which states that the subject is owner-occupied. The record contains no evidence indicating that the subject sold in an arm's-length transaction subsequent to the Board's

decision for the 2021 tax year, or that the Board's decision for the 2021 tax year was reversed or modified upon review. For these reasons, the Board finds that the subject's assessment should be carried forward to the 2023 tax year, pursuant to section 16-185 of the Property Tax Code, to reflect the Board's decision for the 2021 tax year, plus the application of an equalization factor, if any<sup>1</sup>.

---

<sup>1</sup> The total assessment amount offered by the board of review on this appeal and the amount of the total assessment for the Board's 2021 decision are the same resulting in a no change for this appeal.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
