

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ana Lucia Quinonez
DOCKET NO.: 23-37672.001-R-1
PARCEL NO.: 03-09-210-005-0000

The parties of record before the Property Tax Appeal Board are Ana Lucia Quinonez, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$5,586
IMPR.: \$23,224
TOTAL: \$28,810

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject consists of a 6,207 square foot parcel of land improved with a 49-year-old, two-story, frame, single-family dwelling containing 2,009 square feet of building area. Features of the home include a partial basement, a fireplace, and a one and one-half car garage. The property is located in Buffalo Grove, Wheeling Township, Cook County and is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends inequity as the basis of the appeal. In support of this argument, the appellant submitted data on three suggested comparables. The comparables are described as two-story, frame or frame and masonry, single-family dwellings located within a mile of the subject. Features include a full basement, air conditioning, a fireplace, and a two-car garage. They range: in age from 53 to 55 years; in size from 2,168 to 2,593 square feet of building area; and in improvement assessment from \$10.01 to \$10.90 per square foot of building area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's assessment of \$28,810 with an improvement assessment of \$23,224 or \$11.56 per square foot of building area. In support of the current assessment, the board of review submitted four suggested comparables. The comparables are described as two-story, frame, single-family dwellings located within a quarter mile of the subject with three located on the subject's block. Features include a two-car garage, a partial or full basement for three properties, air conditioning for three properties, and a fireplace for two. They range: in age from 53 to 55 years; in size from 2,032 to 2,087 square feet of building area; and in improvement assessment from \$11.92 to \$13.17 per square foot of building area.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b).

The Board finds the best evidence of assessment is the board of review's comparables. While all the comparables are similar to the subject in construction, age and amenities these comparables are the closest in location and size to the subject. These comparables had improvement assessments ranging of \$11.92 to \$13.17 per square feet of building area. In comparison the subject's improvement assessment of \$11.56 per square foot of building area is below the range of the best comparables in this record. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's improvements is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
