

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: John Fitzgerald
DOCKET NO.: 23-38609.001-R-1
PARCEL NO.: 13-20-200-025-0000

The parties of record before the Property Tax Appeal Board are John Fitzgerald, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$12,913
IMPR.: \$18,354
TOTAL: \$31,267

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1.5-story dwelling of frame and masonry exterior construction with 2,190 square feet of living area. The dwelling was constructed in 1919 and is approximately 104 years old. Features of the home include a basement with finished area, 3 bathrooms, central air conditioning and a 2-car garage. The property has an approximately 4,612 square foot site and is located in Chicago, Jefferson Township, Cook County. The subject is classified as a class 2-04 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables located in the same assessment neighborhood code as the subject property. The comparables are improved with class 2-04 dwellings of frame and masonry exterior construction

ranging in size from 2,000 to 2,160 square feet of living area. The homes range in age from 84 to 101 years old. Each comparable has a basement,¹ from 1 to 2 bathrooms, central air conditioning and a 2-car garage. The comparables have improvement assessments ranging from \$13,988 to \$15,265 or from \$6.48 to \$7.55 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$15,527 or \$7.09 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$31,267. The subject property has an improvement assessment of \$18,354 or \$8.38 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables located in the same assessment neighborhood code as the subject property. The comparables are improved with 1.5-story class 2-04 dwellings of frame and masonry exterior construction ranging in size from 1,845 to 2,002 square feet of living area. The homes range in age from 95 to 108 years old. Each comparable has a basement, with two having finished area and either 2 or 2.5 bathrooms. Three dwellings have central air conditioning and each property has a 2-car garage. The comparables have improvement assessments ranging from \$16,572 to \$28,396 or from \$8.74 to \$14.18 per square foot of living area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables which lacks information regarding basement finish, and/or differ from the subject in bathroom count as well as board of review comparables #1 and #4 which have unfinished basement area in contrast to the subject's finished basement.

The Board finds the best evidence of assessment equity to be board of review comparables #2 and #3 which have finished basement area and are more similar to the subject in location, age, design, dwelling size and other features. These comparables have improvement assessments of \$24,400 and \$28,396 or \$13.22 and \$14.18 per square foot of living area, respectively. The subject's improvement assessment of \$18,354 or \$8.38 per square foot of living area falls well below the two best comparables in this record. After considering adjustments to the comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

¹ The appellant's grid analysis includes no information regarding the basement finished area of its comparables.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
