

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: 3053 N Hausen LLC
DOCKET NO.: 23-38851.001-R-1
PARCEL NO.: 13-26-109-018-0000

The parties of record before the Property Tax Appeal Board are 3053 N Hausen LLC, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$10,418
IMPR.: \$30,388
TOTAL: \$40,806

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story multi-family building of masonry exterior construction with 2,140 square feet of building area that is approximately 105 years old. Features of the building include a basement with finished area and a 2-car garage. The property has an approximately 2,976 square foot site and is located in Chicago, Jefferson Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement assessment as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables located in the same assessment neighborhood code as the subject property. The comparables are improved with class 2-11 multi-family buildings of masonry exterior construction ranging in size from 2,136 to 2,280 square feet of building area. Three of the

buildings range in age from 104 to 112 years old.¹ Each comparable has an unfinished basement a 2-car garage. The comparables have improvement assessments ranging from \$23,165 to \$28,875 or from \$10.16 to \$13.18 per square foot of building area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$26,493 or \$12.38 per square foot of building area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$40,806. The subject property has an improvement assessment of \$30,388 or \$14.20 per square foot of building area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables located in the same assessment neighborhood code as the subject property. The comparables are improved with 2-story class 2-11 multi-family buildings of masonry exterior construction ranging in size from 1,832 to 2,152 square feet of building area that are 107 or 109 years old. Each comparable has an unfinished basement. One property has central air conditioning, two comparables have either one or two fireplaces and three properties have a 1-car or a 2-car garage. The comparables have improvement assessments ranging from \$27,584 to \$33,584 or from \$14.76 to \$15.69 per square foot of building area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight equity comparables for the Board's consideration. The Board gives less weight to appellant comparables #1 and #3 along with board of review comparables #3 and #4 which differ from the subject in building size, central air conditioning and/or lack a garage.

The Board finds the best evidence of assessment equity to be appellant comparables #2 and #4 and board of review comparables #1 and #2 which identical or nearly identical to the subject in building size and are similar to the subject in location, age, design, and some features. However, each of these properties has an unfinished basement relative to the subject's finished basement, suggesting an upward adjustment for this feature is needed to make these properties more equivalent to the subject. These comparables have improvement assessments ranging from \$27,954 to \$33,584 or from \$13.05 to \$15.69 per square foot of building area. The subject's improvement assessment of \$30,388 or \$14.20 per square foot of building area falls within the range established by the best comparables in this record. After considering appropriate adjustments to the comparables for differences from the subject, the Board finds the appellant

¹ The appellant's comparable #4 is reported to have an age of 1078 in the grid analysis.

did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
