

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: George Polymenakos
DOCKET NO.: 23-39187.001-R-1
PARCEL NO.: 28-27-407-011-0000

The parties of record before the Property Tax Appeal Board are George Polymenakos, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$3,524
IMPR.: \$13,325
TOTAL: \$16,849

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a split-level dwelling of frame and masonry exterior construction with 1,066 square feet of above grade living area. The dwelling is approximately 47 years old. Features of the home include a lower level/basement with finished area, 1 bathroom, central air conditioning and a 2-car garage. The property has an approximately 10,846 square foot site and is located in Country Club Hills, Bremen Township, Cook County. The subject is classified as a class 2-34 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on eight equity comparables located in the same assessment neighborhood code as the subject property and within 0.10 of a mile from the subject. The comparables are improved with split-level class 2-34

dwelling of frame or frame and masonry exterior construction ranging in size from 1,058 to 1,222 square feet of above grade living area and range from 33 to 47 years old. Each comparable has a lower level/basement with finished area,¹ Each dwelling has 1 or 1½ bathrooms, a 2-car garage and one or two fireplaces. Five dwellings have central air conditioning. The comparables have improvement assessments ranging from \$12,293 to \$15,315 or from \$11.23 to \$13.00 per square foot of above grade living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$13,325 or \$12.50 per square foot of above grade living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$17,999. The subject property has an improvement assessment of \$14,475 or \$13.58 per square foot of above grade living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables located in the same assessment neighborhood code as the subject property. The comparables are improved with split-level class 2-34 dwellings of frame, masonry, or frame and masonry exterior construction ranging in size from 1,000 to 1,134 square feet of above grade living area. The homes range from 32 to 49 years old. Each comparable has a lower level/basement with finished area, 1½ or 2½ bathrooms, central air conditioning and a 2-car garage. Two dwellings each have a fireplace. The comparables have improvement assessments ranging from \$15,660 to \$18,660 or from \$14.29 to \$16.46 per square foot of above grade living area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The parties submitted 12 equity comparables for the Board's consideration. The Board gives less weight to appellant comparables #1, #2, #3, #5 and #6 along with board of review comparables #1, #2 and #3 which are less similar to the subject in age and/or have 2½ bathrooms when compared to the subject's one full bathroom.

The Board finds the best evidence of assessment equity to be appellant comparables #4, #7 and #8 as well as board of review comparable #4 which are more similar to the subject in location, age, design and dwelling size. However, three of these best comparables have an additional ½ bathroom when compared to the subject, suggesting a downward adjustment is needed to make these properties more equivalent to the subject. These comparables have improvement assessments ranging from \$12,293 to \$15,660 or from \$11.23 to \$15.66 per square foot of above

grade living area. The subject's improvement assessment of \$14,475 or \$13.58 per square foot of above grade living area falls within the range established by the best comparables in this record. However, after considering adjustments to the best comparables for differences from the subject, the Board finds the appellant demonstrated with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
