

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Bonnie Gehrman
DOCKET NO.: 23-39528.001-R-1
PARCEL NO.: 28-17-209-007-0000

The parties of record before the Property Tax Appeal Board are Bonnie Gehrman, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$2,997
IMPR.: \$21,003
TOTAL: \$24,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of frame and masonry exterior construction with 1,630 square feet of living area. The dwelling is approximately 63 years old. Features of the home include a partial basement with finished area, 1½ bathrooms, central air conditioning, and a 1-car garage. The property has a 6,660 square foot site and is located in Oak Forest, Bremen Township, Cook County and is classified as a class 2-05 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the subject's improvement as the basis of the appeal. In support of this argument the appellant submitted information on six comparable properties located within the subject's assessment neighborhood and within 0.09 of a mile from the subject. The comparables are improved with class 2-05 or 2-07, 2-story dwellings of frame and masonry exterior construction ranging in size from 1,630 to 2,116 square feet of

living area. The dwellings are 62 or 63 years old. Three comparables each have a partial basement with "N/A" disclosed for the finished area, and three comparables each have a slab or a crawl space foundation. Five comparables each have central air conditioning. Each comparable has 1½ or 2½ bathrooms, 1 fireplace and a 1-car or a 2-car garage. The comparables have improvement assessments ranging from \$18,028 to \$25,030 or from \$11.06 to \$12.14 per square foot of living area. Based on this evidence the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject property of \$24,000. The subject property has an improvement assessment of \$21,003 or \$12.89 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on four comparable properties located within the same assessment neighborhood and block as the subject. The comparables are improved with class 2-05, 2-story dwellings of frame and masonry exterior construction with either 1,630 or 1,683 square feet of living area. The dwellings are each 63 years old. Each comparable has a partial basement with finished area, 1½ or 2½ bathrooms, central air conditioning, and a 1-car or a 2-car garage. One comparable has 1 fireplace. The comparables have improvement assessments ranging from \$21,030 to \$24,412 or from \$12.90 to \$14.51 per square foot of living area. Based on this evidence, the board of review asserts that the assessed value per square foot of the comparables supports the subject's assessed value as equitable.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties provided a total of ten equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #1 through #4 and the board of review comparable #4 which are less similar to the subject in dwelling size, bathroom count, and/or foundation type than the other comparables in this record.

The Board finds the best evidence of assessment equity to be the parties' remaining comparables, which are located within the subject's assessment neighborhood and are identical or nearly identical to the subject in design, age, dwelling size, bathroom count, and most features. These five comparables have improvement assessments ranging from \$18,028 to \$21,535 or from \$11.06 to \$13.21 per square foot of living area. The subject's improvement assessment of \$21,003 or \$12.89 per square foot of living area falls within the range established by the best comparables in this record. After considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and

convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
