

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Aaron Bell
DOCKET NO.: 23-39547.001-R-1
PARCEL NO.: 28-24-107-017-0000

The parties of record before the Property Tax Appeal Board are Aaron Bell, the appellant(s), by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$1,729
IMPR.: \$8,273
TOTAL: \$10,002

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling with 1,029 square feet of living area of masonry construction. The dwelling was 65 years old. Features of the home include a slab foundation, a fireplace, and a two-car garage. The property has a 7,684 square foot site and is located in Markham, Bremen Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five class 2-03 comparable sales properties which sold from February 2021 to June 2023 for sales prices from \$48,000 to \$93,000 or from \$46.65 to \$87.46 per square foot of living area, land included in the sales prices. The improvements on these properties were 66 or 67 years old, had 1,029 or 1,048 square feet of living area, and were located within a 0.31-mile radius of the subject. Appellant disclosed that this is not an owner-

occupied residence Based on this evidence the appellant is seeking a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$10,002. The subject's assessment reflects a market value of \$100,020 or \$97.20 per square foot of living area, including land, when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment the board of review submitted information on four class 2-03 comparable sales properties which sold from December 2020 to August 2022 for sales prices from \$90,000 to \$125,000 or from \$87.46 to \$121.48 per square foot of living area, land included in the sales prices. The improvements on these properties were 66 or 67 years old, had 1,029 to 1,109 square feet of living area, and were located within a ¼-mile radius of the subject. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be appellant's comparable sales #2, #3, and #4 and board of review's comparable sales #2, #3, and #4. These comparables sold for prices ranging from \$54.26 to \$121.48 per square foot of living area, including land. The subject's assessment reflects a market value of \$97.20 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
