

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Edward Jedlowski
DOCKET NO.: 23-39618.001-R-1
PARCEL NO.: 28-30-205-044-0000

The parties of record before the Property Tax Appeal Board are Edward Jedlowski, the appellant, by attorney George N. Reveliotis of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$3,069
IMPR.: \$16,174
TOTAL: \$19,243

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of frame exterior construction with 1,120 square feet of living area. The dwelling is approximately 63 years old. Features of the property include a full basement with finished area, two full bathrooms, one half bathroom and a 2-car garage. The property has a 6,821 square foot site and is located in Tinley Park, Bremen Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on seven equity comparables that have the same assessment neighborhood code as the subject and are located within .25 of mile from the subject property. The comparables are class 2-03 properties improved with one-story dwellings of frame exterior construction ranging in size from 1,008 to

1,202 square feet of living area. The dwellings range in age from 68 to 94 years old. One comparable has a full basement, two comparables each have a concrete slab foundation and four comparables each a crawl space foundation. Each comparable has one full bathroom, a fireplace and from a 1-car to a 2.5-car garage. One comparable has an additional half bathroom and three comparables have central air conditioning. The comparables have improvement assessments that range from \$10,305 to \$15,482 or from \$9.68 to \$13.32 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$13,306 or \$11.88 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$19,243. The subject property has an improvement assessment of \$16,174 or \$14.44 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on four equity comparables that have the same assessment neighborhood code as the subject and are located within the same block as the subject property. The comparables are class 2-03 properties improved with one-story dwellings of frame exterior construction ranging in size 1,104 to 1,203 square feet of living area. The dwellings are 51 or 69 years old. The comparables each have a full or partial basement, one or two full bathrooms and from a 1.5-car to a 2.5-car garage. One comparable has an additional half bathroom and two comparables have central air conditioning. The comparables have improvement assessments ranging from \$18,006 to \$21,436 or from \$16.12 to \$17.82 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eleven comparable properties for the Board's consideration. The Board has given less weight to the appellant's comparables, as well as board of review comparables #2 and #3, due to differences from the subject dwelling in foundation type or age and/or they have central air conditioning, unlike the subject

The Board finds the best evidence of assessment equity to be board of review comparables #1 and #4, which are overall more similar to the subject in location, dwelling size, design, age and some features. These two comparables have improvement assessments of \$18,006 and \$21,436 or \$16.31 and \$17.82 per square foot of living area. The subject's improvement assessment of \$16,174 or \$14.44 per square foot of living area falls below the two best comparables in the record. Based on this record and after considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and

convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
