

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Joseph Balogun
DOCKET NO.: 23-40006.001-R-1
PARCEL NO.: 31-07-404-018-0000

The parties of record before the Property Tax Appeal Board are Joseph Balogun, the appellant, by attorney Kyle Gordon Kamego, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$21,032
IMPR.: \$26,967
TOTAL: \$47,999

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The property is a 16,496 square foot site located in Tinley Park, Rich Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance. The subject improvement is an approximately 23-year-old, two-story dwelling of frame and masonry construction with 3,403 square feet of living area. Features of the dwelling include three bathrooms, a full basement, air conditioning, and a three-car garage.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparable properties. The comparable properties are in the same neighborhood and within 3.2 miles of the subject. They range in age from 22 to 25 years; in size from 2,669 to 3,406 square feet of living area; and have improvement assessment from \$6.17 to \$7.49 per square foot of living area. The appellant

requested the subject's total assessment be reduced to \$45,023 from its current &7.92 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$27,283 which is inconsistent with the board of review letter stating a board of review final assessed value for 2023 was \$47,999. The grid supplied by the board of review lists the subject property improvement assessment as \$18,210 or \$5.35 per square foot of living area. The board of review submitted information on four equity comparable properties. The suggested comparable properties are in the same neighborhood and on the same block as the subject. They range in age from 15 to 22 years; in size from 2,688 to 3,418 square feet; and have improvement assessments ranging from \$5.56 to \$6.89 per square foot of living area. The board of review requested that the assessment be confirmed.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Clear and convincing evidence means more than a preponderance of the evidence, but it does not need to approach the degree of proof needed for a conviction of a crime. Bazyldo v. Volant, 164 Ill. 2d 207, 213 (1995).

Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparable properties to the subject property. 86 Ill.Admin.Code §1910.65(b). The Illinois Constitution requires that real estate taxes "be levied uniformly by valuation ascertained as the General Assembly shall provide by law." Ill. Const., art. IX, § 4 (1970); Walsh v. Property Tax Appeal Board, 181 Ill. 2d 228, 234 (1998). This uniformity provision of the Illinois Constitution does not require absolute equality in taxation, however, and it is sufficient if the taxing authority achieves a reasonable degree of uniformity. Peacock v. Property Tax Appeal Board, 339 Ill. App. 3d 1060, 1070 (4th Dist. 2003).

The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board gives no weight to the grid and comparables submitted by the board of review as the assessment totals conflict with the final 2023 board of review letter. Nonetheless, it is the appellants burden to show the inequity of the assessments by clear and convincing evidence. The Board finds the best evidence of assessment equity to be appellant's comparable property #3 which had an improvement assessment \$7.38 per square foot of living area. The subject's improvement assessment of \$7.92 per square foot of living area falls above the amount established by the best comparable property in this record, however proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties. 86 Ill. Admin. Code §1910.65(b). The remaining comparable properties offered by the appellant were not proximate in location, therefore, the Board finds the appellant did not demonstrate to the level of clear and convincing

evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
